York are already observable in the innorthern states, and the campaign, especially in Indiana, New York, Conpecticut, Ohio and California, promises to be the most effective in the history of the party. While the democracy have been clapping each other on the back over their lucky nomination at Cincinnati, the republicans have been quietly marshalling their forces and preparing to make a thorough canvars of the country. At the present time the prospect is more than

unimpeached in this state as a man of integrity and unblemished character, comes in for his share of abuse and blackguardism at the hands of the brass collared editors who edit Jay Gould's Republican. Judge Briggs has been guilty of the unpardonable offense of making a public declaration over his own name in favor of the radical reform of our primary elections, inaugurated by the Douglas county central committee. The letter of Judge Briggs, which appeared in THE BEE two days ago, does not contain one word derogatory to any individual, or even an allusion which could be construed into an assault on the Union Pacific. And yet the organ of that monopoly, professedly published in the interests of the republican party, goes out of its way to villify and malign Judge Briggs. What do the impartial republicans outside of can workingmen. It is to be hoped Douglas county think of such ungen-great manufacturing and commercial Are high-minded, honorable public clergymsn, can procure that education sends 88 delegates.

The following letter, which appearthe country by new lines of railroad ed in the Omaha Republican Wednesare of the most flattering description, day, commends itself to republicans as a fair and candid statement:

OMARA, August 9. To the Editor of The Republican: In your issue of Sasurday morning, What is most encouraging is the fact under the heading, "Rosewater, Saunders and Fraud," the writer that railroad building is now being carried on upon sound business prin- deals in some rather severe criticism regarding my action on the proposed iples. The speculative "wild cat" registry of republican voters who are to exercise the right of selecting our delegates at the coming primary election, which, I think, requires some reply from me. I do not want to be lieve that the editor of The Republican is willing to misrepresent me er made by self or friends, and whether as no. invested. The Chicago Railway Age through his paper, and I therefore wish has compiled some valuable statistics to call his attention to a few impor-

if he will not do me the justice to correct the same. Let me premise by stating here been in favor of the party making some rule or law (a law would be the better) which would throw essentially the same safe-guards around the primary ballot that are extended to the general elections. Why not? Does dot the primary election make all our candidates for all the important offices in the state? And, if these elections are allowed to run at loose ends, or to be corruptly or raudulently run, then

will our elections provenothing better than a farce, for, the candidates made by these primaries are, under party to be supported, whether they are properly and satisfactorily selected or not. Everybody can, therefore, see that it is quite as necessary to guard well the ground, as Indian attacks were as olls at the primary as-at the general much expected as a meal. lection. Having seen great abuses at these elections, growing out of perwho did not belong to the republican party-I have, as I before said, long een an advocate of a registry rule or law, which should govern primaries as well as other elections. A pure

election, free from all fraud or corruption, is the main thing which must be relied on to perpetuate this govern-ment, and this I have advocated both in congress and as a private citizen. Now this brings me more directly to the subject matter to which I wish to reply. When I returned from the country, a few days ago, I learned r registered; and being in favor of a

register attests, who are proof against the compting luxury which the new hotel affords. Red Oak is an Omaha in embryo, ossessing its virtues and its vices out notably so in the business thrift

and enterprise of its citizens. The chief topics of conversation which agitated the public mind during my visit there, were, a prospective system of water works, the congres sional canvass and the crops. If I mistake not the spirit of the citizens works will be a reality. As to the re-publican [congressional canva: s I must say that the honors have been hotly contested for and it is which of the candidates the choice of the district convention will fall. Four lawyers, of state notoriety, are in the field: F. W. Sapp, of Council Bluffs, to an up-gulch town, possibly Lead the present incumbent; J. Y. Stone City. It is claimed that the valua-tion of Deadwood is \$713,665, and the of representatives; "Pete" Hepburn, oughly for holding positions of re- to primary elections? If he is opposed aggregate of Lead, Central, Gayville of Clarinda, Page county, and Major and Terryville at \$140,694 in excess of A. R. Anderson, of Fremont county. At present writing Mr. Sapp controls obtained as many as he has is ques-

other candidates, but has by no means a majority. The manner in which he tionable to say the least. The republican organ of Red Oak and a great many of the citizens of the county accuse the gentleman of having packed the primaries by a liberal use of money. The Iowa State Register of Des Moines puta its finger in the pie and unhesitatingly asserts that Chapman, of The Council Bluffs Nonpareil, is the dark horse in the race, and the general opinion in the district is that "Barkis is willin'," if

not anxious. THEO. GORHAM. Omaha Primaries

lattsmouth Enterprise. Republicans in Omaha are at logger heads. Rosewater believes in regis tration in the primaries and the other side does not. The fight is all their own, but we have a hope that their primaries may be so conducted that emocrats from this city who happen to be in Omaha at primary meeting time cannot come home and make their brags about voting in republican primaries at Omsha. It is an act in political warfare not according to the eternal fitness of things in our opinion.
