LANGE & FOITICK. COOK OTOVES

The book being last year's registra- ic leaders. ion, is virtually worthless, as the law equires that new books be made out fore every general election. A certified copy of the registration contained in each book is in file in the county clerk's office, and consequen ly the book has no value as an offi ia document. Allen must have a very party. lastic conscience to swear that the book was taken maliciously, when he knew that the only object sought was to correct the republican registration list which he and his masters are resisting and obstructing, and further- ironer for small family. aug20-2t

more, in view of the fact that Mr Rosewater when asked about the mater, at once said he had the book and would bring it back- Allen is evidently acting a part in this case and

a very disreputable part it is, and one Platte, Fort Omaha, Nebraska, are which no decent party would be as follows: guilty of.

We presume, as usual, the arrest of ward B. Mosley assistant surgeon,
