SANTA CLAUS FOUND. Greatest Discovery of the Age. Woncerful discoveries in the world have been made Among other things where Santa Claus stayed, Children oft ask if he makes goods or not, If really he lives in a mountain of snow.

Last year an excursion salied clear to the Pole
And suddenly dropped into what seemed like shole
Where wonder of wonders they found a new land, While fairy-like beings appeared on each hand.
There were mountains like ours, with more beautiful green,
And far brighter skies than ever were seen,
Birds with the hues of a rainbow were found, "Wall," said the justice, "de faks

While flowers of exquisite fragrance were grow ing around.

Not long were they left to wonder in doub. Actions were they let to wonder in doubt.

A being soon came they had heard much about,

Twas Santa Claus' self and this they all say,

le leoked like the pecture r esec every day.

He drove up a team that looked very queer,

Twas a team - franshoppers instead of reindeer,

He rode in a shell instead of a sleigh,

But he took them on board and drave them

away.

"Judge, you have no jurisdiction

"Dat sort o' work 'longs ter de

"Do the test for me you can,

"Dat's what I'se gwine ter do. I'se

got two kinds of law in dis court, de

laws iz de way yer state de case."

A Bad Eye.

As a train on the Kansas Pacific

pulled away from the Sixteenth street

depot, a few mornings since says The

Denver News, a tall, angular speci-

men of humanity took a seat oppo-

site a lady passenger, and to all appear-

ances was intently engaged in studying

her face. At first the lady treated

the rudeness with cood-natured indif-

ference. But at last it began to tell

on her nerves. It was a reculiar and

bead away, but it intercepted her

vision. She tried to bide behind a pa-

per, but she felt that cruel eye pierc-

ing through the screen and creeping

by one, and examining them with

care. The thing became unendurable,

and she cried out to him fiercely:

"Sir, why do you look at me so per

"Me, madam? Why, bless my soul

"I beg your pardon, madam, but its

"Well, madam, that eye won't do

you any harm. It generally looks any

"You have, sir: for a helf-h

"Yes, sir; it is that eye."

only to examine me."

court of he choose."

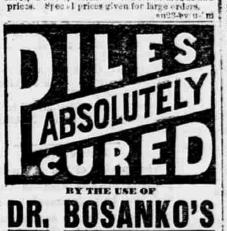

away.

He showed them all over his wonderful realm,
And factories making goods for women and men
Furriers were working on hats great and small,
To Bunee's thet said they were sending them all,
Kris Kingle, the Glove elaker, told them at once,
All our Gloves we are sending to bunee,
Santa showed them are sending to bunee, Santa showed them suspenders and many things Saying I also took these to friend Ecoco a store.
Santa Claus then whispered a secret he'd tell.
As in O maha every one knew flunct well,

He therefore should send his goods to his care, Knowing his friends will get their full share. NOTICE.

MANUFACTURED BY

(MAHA, August 27th, 1880. There will be a meeting of the Stockholders of the Me hanks's Mining and Smelting Co. (expir-ted by limitation) of the Durant engine coast. Spitember 14th, 1889, at 7:20 p.m. for the purpose of reorganization and formation of anew company. All purpose into total are carmenty required to be present, as hustness of great latter are to them will be transacted. It is sold, Trustee.

KIDNEGEN is highly recommended and unsurpassed for Work or Foul Kidneys, Dropsy, Bright's Disease. Loss of Edgy. Nervous Debility, or any Obseructions arising from Kieney or Bladder Diseases Also for Yellow Fever, Blood and sidney Poisoning, in .nfooted majaria! sections.

AF By the distillation of a FOREST LEAF with JUNIOES HERRIFF and EARLEY MALT we are discovered R DARGEN whose acts per distillation the Riffreys and Urina y Organs, remains in the last politic forces in the madder and property at each go amount of another her or the last politic materials. I have been by are not to the low regions him attempts, vigor and restacing these organs to a healthy condition, showing its sets on both the oil of and easy flow of urine. It can be taken at different in all climits and of a all circumstances will out injury to the system. Unlike so who have the last contribution of the politic state and floor. It has been different to be a first the color of the system of the state of the first thing any liver medicine, the above of KIDN 668 to Classes the KIDN 868 to Classes the KIDN 869 t four matter. Try it and you will aways use it as a funity medicine. Ladios especially will make it as a funity medicine. Ladios especially will make it, and Gentiemen will find KIDNEGEN the best hidney T mile ever used.

NO FIE— ach both is besse the signature of LAWRENUS & MARTIN, also a Proprietary Comment Stamp, which permits HIDNEGEN to be said (without floures) by Droggists, a good and Other Persons everywhere.

Put up in Quart size Bottles for General and Family Use. If not found at your Bruggists or Grocers, we will send a bottle precald to the marred ex. ore
