unswerving support to the candidates there ominated.

2. We affirm the doctrines of national sovereighty in the formulated principles upon which the perpetuity of the nation rests, and that the principle of hime rule as enunciated by the democratic party is but the cautious expression of the Calhoun doctrine of state rights, is revolutionary in its character and destructive of the unity of the nation.

3. We regard the recent seizure of the polls and the wholesale robbery of the

polls and the wholesale robbery of the franchises of the republican citizens of Alcountry to most ea nest endeavor to defeat the party of brigandage and fraud at

the polls in November.

4. We have considered "what Lee and Jackson would do if they were alive," and have determined to em loy our best enerhave determined to em loy our best energies in preventing the sei tre of the national government by their living commades through the frauds of the solid south.

5. We congratulate the people of the state upon the rapid increase of population and wealth, and upon the good measure of monarity that has a maded their tion and wealth, and upon the good measure of pro-perity that has rewarded their labor, upon the rapid upbuilding of our material interests since the success of resumption and the revival of trade.

6 We pledge our support to such legislation in congress an such measures by state legislatures as may be necessary to effect a correction of access and prevent extortionate discrimination in charges by

railroad corporati ns.
7. We most cordially invite the aid and co operation in the latest defense of the national integrity and national purse of all repu licans and war democrats who have differed with us on temporary issues, or have clung to the party name.

Resolved. That we heartily join in the rec mendation made by General Garfield rec mendation made by Generalized upor in his letter of acceptance in urging upor congress the speedy improvement of the Missouri river for barge navigation.
