Lot 8, was able of 9th street, blk 93, temporary a secluded but most beautifully remantic spot of the gardens, she suddenly came upon a gentleman of away from the officer in charge and about twenty-four years of age.

blue eyes, light auburn hair and delicately-shaped mustache. He was eketching what afterwards became a fine work of art, known as "View of Granada." Upon the approach of the ladies the artist arose and handed to the dazzling young Spanish beauty her handkerchief, which had fallen from her hand. Their eyes met She passed on and the artist resumed his work. Upon several subsequent days they accidentally met. The artist was less attentive to his work, and a

About a month after the first meeting in the garden, while the artist was preing up and down in his studio, a gentleman friend named DeCastillo called upon him To him the art st unbesomed himself. He d-clated he could do no more work until he painted a picture of the lady whose appearance had so strongly affected him. Then taking DeCastillo's arm they went out and wandered to the Alhambra gardens. There he again saw the object of his infatuation. She was conversing in the deaf and dumb language with the Spanish Marquis who had taught her the hand manual fmany years back when she was a child. De Castillo, knowing the Marquis, introduced him to the artist, and the Marquis then presented his companions, who were Isabella and her grandmother. Much to Isabella's surprise she discovered that pply the same to the payment of the the handsome young artist was deaf elinquent personal tax of Claus and dumb, and then she found greater
