Doyle Identifie Social dispatch to the fee

CHICAGO, October 26-1 a. m. -Doyle, the counterfeiter, was taken from the county jail vesterday and photographed. He was instantly recognized by Frank Warner and Judge Glover, who, some twenty five years ago, were concerned in the arrest and trial of Doyle and Brad Foster, for counterfeiting in La Salle county. There is no mistake as to his identity, and that he is a sleek rascal. When arrested, Doyle wanted to send \$1000 of the money found in his possession to his wife at Bradford, but as the officers could not tell which was counter feit and which genuine, they are waiting to hear from Washington before sending the lady any pin money.
