This institution, located at Denver, Colorado, They were delighted at my prowess | bottle free of cost which will convince | Greatest Discovery of the Age.

Wonderful discoverise in the world have been made Among other things where Santa Claus stayed Children oft ask if he makes goods or not, If really he lives in a mountain of smow.

Last year an excursion sailed clear to the Pole And suddenly drophed into what seemed like shole Waere wonder of wonders they found a new land, while fairy-like beings appeared on each hand. There were mountains like ours, with more beautiful green,
And far brighter skies than ever were seen, Birds with the hues of a rainbow were found, While flowers of exquisite fragrance were growing around.

Not long were they left to wonder in doubt A being soon came they had heard much about, Twas Santa Claus soil and th is they all say, it leoked like the pucture vesse every day. He drove up a team that looked very queer, Twas a team of grasshoppers instead of reindeer, He rode in a shell instead of a steigh, But he took them on board and drove them away.
