WEATERS SEVENTY TRARS MR. WHED'S REC LLECTIONS OF THE

WINTERS OF 1808, 1812 AND 1819,

e Tork Times. "You have taken me at a little disdvantage," said the Hon. Thurlow Weed, when asked yest rday to re ate some of his recollections of cold his easy chair, in front of a grate fire, she hear't fer him as strong, I ges to oursmony had taken place. They

nutterings relapsed into silence, and I concludes that he is right, and now Mr. Laughton calmiy told them they lava-like excite of gunts, hand orgravely turned his attention again to I her o me to the point. I saddled were bitteen minutes too late. He gams, trip hammers, boiler explosions, the flickering flames in the tire place. the old brown more, and put some eff you were to give me a little bacon and corn-bread in the saidlesime," aided Mr. Weed, "I think I bags, and started for Little R ok. I our recall a few facts which possibly comes straight to you, jidge, and I might be interesting. The weather want you to make out an attachment cause I the troub's for Nancy to me. I knows that the takes only a passing interest, and I len't believe there is anything that has come under my observation which are not lettle of a short notice."

Mr. Weed leaned forward and looked traveling gettin' back to Nancy that why don't you in o the rea code, running his finge s vou ever saw. Well, why don't you slowly through his hair as his begin, jedge."

thoughts traveled back over the de-"Let me see," said he-"the winter ozs from the table. f 1812, I remember was unusually evere and was remarkable for the lepth of snow that fell. I was then ing, Ben; it can't be done."

15 years old. The alarm was raised that Ben pulled his hat over his eyes, the British were marching over the wiped a trickling drop from his cheek ce from Kungston to Sackett's Har- and walked slowly toward the door

bor, and volunteers were called for. muttering: A lot of us responded, and we started in aleighs to go from Unica to Sacke t's study ab ut it. I thought as how the farbor. The snow was so deep a court mought hey done it," and then large part of the distance that as we he stapped from the justice's door a eat in the sleighs its surface was from if Nancy was lost to him forever .three to five feet above our heads. [Feg. The farmers had dug out a road in it just wide enough for a single sle'g', and through this narrow channel we pass enother on tois road were turn-

that two soldiers, was were at first outside of the church, their belief bewho were really two men belonging would have a tendency to lead t er to our forces, escaped from imprisonment in Kingston, and, making their bor, brought the report that the British were preparing to invade the

states at this point. "The winter of 1819 was, I remember, very cold and stormy, and was long remembered by people of Chenango county, where I was living at the time. The winter of 1812 was also provided. Here, on a summer Sabntensely cold, with a dry, clear, bracing atmosphere prevailing throughout almost the entire period. Another cold spell which I recall occurred before the winter 1813 set in-some time in the autumn. We were living then in tents pitched on the banks of the Black river, and had been suffering intensely from this unusual cold. A ing and the Old Mennonites in the piled up around our tents and banked

in about a week we went into barracks at Sackett's harbor. "The winter of 1808 is impressed my parents moved through the snow and cold out of Catakill into Courtland county. That was a lorg journey to polities. take in those days, and we were about eight days on the road. Its hardships were many, owing to the season of the year in which it was undertaken. There was my father, my mother, and my three brothers, and would you believe it, the whole of us a d our household goods besides, accomplished the trip in one sleigh. The depth of now was unusual even for those old-

fashioned winters, and when we reached our destination we found ourselves n a howling wilderness. Why, it was like moving out of the world altogether. But our sessons have unlerg ne a great change since then. The weather of such a day as to-day nore closely resembles the weather prevailing throughout the month of December in the sinters of 50 years go. Then we almost invariably had and therp, cold weather for three or

taken place since it was a customary thing for a farmer to be obliged to dig his way through drifts as high al told of Marathon, when the few setiver, and of Rochester when her in abitants numbered between 800 and 900 persons. Of Syracuse he said: Why, Syracuse is built on a spot which I remember as the home of rogs and enakes. The swamp was al most impenetrable. Finally, however, by hacking and hewing and digging a cordaroy road was run through it. Even this brought hitle light into the place, which was so dark in broad day-

light that I have heard the owls hout is I passed along at noonday." BEN MILDWEED'S IDEA.

Little Rock Us matte. A man named Ben Mildweed walked peace yesterday, and, taking off an old slouched hat, addressed the digni-

fied official: "Are you the court?" "I am. What is your trouble?" Ben betrayed agitation in the narvous manner with which he fingered "Je'g', Nancy, my gal, has been unning around with two or three

nen lately, and her caused me a heap f onessiness." "Come to the point, Mr. Mildweed." suggested the court. "You hear my story, Jedge. I'm

quicker by running my own furrow lown this patch of trouble." The justice settled his feet comfortab'y on the table, and looked resignedly at Mr. Mildweed, who con-

45 Years before the Public. THE CENUINE DR. C. McLANE'S LIVER PILLS are not recommended as a remedy "for

all the fils that flesh is beir to," affections of the Liver, and in all Bilious Complaints. Dyspepsia and Sick Head-ache, or diseases of that character, they stand without a rival. ACUE AND FEVER. No better cathartic can be used pre

paratory to, or after taking quinine. A a simple purgative they are unequaled. BEWARE OF IMITATIONS. The genuine are never sugar-coated. Each box has a red-wax seal on the lid with the impression, McLANE'S LIVER FILL. Each wrapper bears the signa tures of C. McLane and Fleming Bros.

DR. C. McLANE'S LIVER PILLS, pre FLEMING BROS., Pittsburgh, Pa. the market being full of imitations of the name McLane, spelled differently but same pronunciation.

HOW TO CURE CONSUMPTION, COUCHS, Colds, Asthma, Croup, Pulmonary Organs. USE ACCORDING TO DIRECTIONS

Is the Best and Most Agreeable Preparation in the World

For Constipation, Billousness, Headache, Torpid Liver, Hem-orrhoids, Indisposition, and all Disorders arising from an ob-structed state of the system. Ladies and children, and those who dislike taking pilis and nanscons medicines, are espe-cially pleased with its agreeable qualities. TROPIC-FRUIT LAXATIVE may be used in all cases that need the aid of a pureative enthantic, or aperient medicine, and while it produces the same result as the agents named, it is entirely free from the usual objections common to them. Fasked in bronzed tin boxes only. Price 25 cts. Large boxes 6oc.

LIVE AGENTS WANTED. REASONS WHY YOU SHOULD BUY THE BELVIDERE STAR WIND MILL.

BECAU-E 1st. It is more safe in a gale of wind, and i the most sudden changes of the wind from any direction, because the wheel lying flat on the sower is a ways re-d- with its edge to the wind. Composed arg-ly of powdered mice and temperature and allows to e vane to swing clear around, with and allows the vane to saing clear around, while out turning or striking the wheel.

2nd. It is a rigid wheel having no moveable joints to wear out, rust or creas in the ward.

3rd. loe nor sleet has no effect on it.

4th. It loses less power from friction than
other Mills.

5th. It will run with less wind than other Mills
dth. It is easily regulated so it will perform 7th. It has no pullies, springs nor sliding head 7th. It has no pulles, springs nor sining neads to reces up in waiter.

8th. It will not pump when out of gear.

9th. It is well and heavily painted with the coars of the best raint the marke can afford.

10th. It is a perfect self-regulator and will take care of itself in heavy changable wind sto ms.

11th. It symmetrical form is a perfect orm salent.

12th. Never have heard of any blown do nage and with a required wath or with a requisiting wane.

yet when properly set up with a regulating vane ner ever damaged in the least by the wind. 13tb. They are of good material and
