THE NATIONAL ALLIANCE. The following letter from the Naional Alliance was read: "PITTSFORD, N. Y., Dec. 24.

"J. Burrows, Esq.:
"DEAR SIR—It gives me great pleasure to lears, through the public prints, that a meeting is to be held such organization it is not necessary himself where the shoe pinches; I so exceptionally circumstanced as not to be pinched at all.

Utah, being intended to connect at quite well understood that whatever that point with a railroad from Den-dustry and the profits of American farmers. The great bulk of American exports to Europe consists of agricultural products, and these largely drawn from the west and northwest. But it is essential that if these products shall be carried to the seaboard. the transportation communies shall leave some profit to the men who grow the crops which are enriching the country. The opposite policy of railroad managers of taxing products they transport 'all they will bear," s not more hurtful to farmers than the classes dependent upon them. u organising against such extortions. armers are contending for the best interests of all classer, not excepting the railroad managers, who might probably read a very ancient fable about the man who killed the goose who laid the golden eggs. Farmers have long been used to being plucked,

> "The New York State Farmers' Alliance has, and continues to have, an excellent influence in favor of the farmers of this state. Assuring you of our hearty sym-

pathy in your efforts, and wishing you every possible success, I am very truly yours. "WM. J. FOWLER."

ON CONSTITUTION. The following were appointed committee on constitution: W. L. Osborne, of Gage; J. J. Saville, of And the legislature shall pass laws en-Buffalo; Pratt, of Johnson; Anderson, of Fillmore; W. W. West, of Otoe. ON RESOLUTIONS. Following were appointed a commit-

Pacific route from Denver west is not tee on resolutions: Ingersoll, of Johnson; A. D. Ritchie, Seward; T. G. Wilkinson, Boone; E. Shugart, Gage; R. W. Graybill, M. Heat, Clay; -Armstrong, York; G. L. Rouse, Hall; H. G. Morton, Cass; Allen Root, Douglas.

During the absence of these com-

of Douglas, was called upon to again address the convention. He said that it cost about \$2.50 per car to transport corn from Lincoln to Chicago, and for this outlay the railreads taxed the farmer about \$50. The growth and influence of corporate powers has bedent Haves. Tom. Scottsaid he would of the Pennsylyvania road to be president of the United States. By a twist | state of a pencil these men can rob any state

of half its products. The present system of railroading is to charge the last pency the products will bear. It charges \$500 for transporting ore state, have received ample compensaworth \$1,000 per ton, and \$250 for rant porting a ton worth \$500, and ailroads think they are making a fair divide. [Laughter.] Laws should be passed compelling them to charge all

There has been a great deal said about "vested rights." Thirty years E. Rosewater has returned from ago we never heard of such a thing. Whatever rights railroads have have been given them by the people; the roads exist by legislative action and should be regulated by legislative action. [Applause.]

Is it any wonder that railroad companies can buy up legislatures? Wendell Phillips said that when Tom Scott went to San Francisco every swing of his coat tail knocked down a

legislature. [Applause.] If a member of our present legislature betrays our interests in regard to this railroad question, the people have one remedy-when he returned home.

hang him [applause], and he will never do it again. [Applause and Major J. W. Paddock was among laughter.] Two such hangings in the the incoming passengers from Lincoln state of Nebraska would be all that is conflict with our interests as farmers equired. [Applause.] PROF. CULBERTSON.

Mrs. A. D. Morris and her sister of the State Agricultural Farm being went out to North Platte Thursday to called upon, said he sympathized with the objects of the assemblage He held that the way to regulate the William R Locke, manager of the evils complained of was through the primaries, where such men should be elected as legislators as are thoroughly dentified with the interests of the people as against impositions of mon-

bertson, in response to loud calls up- the lands in the western part of the on him, and said this question under state, devoted to homestead purposes, consideration was one of absorbing interest. It is not necessary for me to add any hing in order to show the burdens and grievances of the people of this state, in consequence of the high tariff imposed upon every-thing transported by the rail-roads. You may be sure you you are not acting here one bit shead of the wishes of the people of the J. B. took cut a policy of insur- entire state. [Applause.] They are
