and Speaker Shedd had a very dis-agreeable time in making up these a detailed analysis of the house committees, but suffice it to say that the

any member to Mr. Shedd for appoint-ment on any committee.) bins, who goes out of his way to tell PERTINENT QUERIES. Mr. Shedd started upon his task for U. S. marshal list summer by the with the determination to be fair and impartial, and this disposition was taken advantage of by the vultures and jobbers who rovered around the legislature. From the outset he was beset by men whom he regards as lature. beset by men whom he regards as I highly henorable, and who continue to proclaim their independence of all factions, and their pleadings had doubtlees a good deal of weight with him. He did not suspect that such "Mr. Jackson, of Douglas, is deservedly popular and will not fail to increase the circle of friends during

the coming sersion." "Mr. Bolln is a sterling German men as Gov. Nance, Judge Post or American and will do credit to his District Attorney Reese were playing nationality." a deep game in conjunction with Thurston, to influence the apportoiu-I might go on indefinitely, but these quotations show that the Omaha wash

ment of committees in furtherance of stand of The Inter-Ocean can suptheir own political ambition, and at their own political ambition, and at ply all the soft soap and hog-wash that the same time in the interest of the will be needed in Nebraska for years. Union Pacific, to which they look for To the credit of our legislature be substantial support. He did not susit said that the majority of the mempect, in yielding to the entreaties of parties who had axes to grind and jobs bers are disgusted with these sketches, especially in view of the fact that to carry through the logislature, he Robbins has only been in the state a wes assigning men to committees few weeks, had never seen nine-tenths where it would do these jobbers the of the men he was writing about. The most good. Nobody but a man who impertinence and malice displayed by has been around a legislature for this legislative portrait-dather is more eight or ten years could discern all disgusting than is his nansesting these tricks and spot all the stool toadyism. Robbins goes out of his pigeons. The vital error Mr. Shedd | way to fling dirt at Senator Saunders, has fallen into was the idea that he and takes pains to belittle the two dis could be fair and impartial only by tinguished lawyers that represent giving the friends and enemies of hon-est government an equal chance. It is a fundamental principle in politics, and it is a just principle, too, that all reforma must be carried out through seats occupied by Snyder and Carritheir friends. It would be prepestertheir friends. It would be preposter-ous, after a great battle has been sup- methods resorted to by the monopoly cessfully fought in favor of any given henchmen who are hanging around reform and against any grievance, to this legelsture, I will speak in my message, the members have been as- entruit the practical work of carrying E ROSEWATER next letter.

WASHINGTON.

HOUSE. Special Dispatch to The Bee. WASHINGTON, January 8 -Hon. Oa sin Ray, elected to succeed the late

Evarts Farr, as representative from the Third district of New Hampshire, appeared this morning, and was sworn in. All the seats are again fully represented in the house. Under the call for his committee

Carns had to submit his selections the syndicate in which Like are sidedly weak, and I fear will not withto the syndicate, in which John M. Thurston was the principal figure, and the pressure that will be thought upon it. Two of the mem-
