THE MULE AND THE BEES. KICKING MULE'S SAD EXPERIENCE WITH A BEE-HIVE.

Lock Malone, in Californian. I was visiting a gentleman whe took e different view.

He outnumbered me.

He browsed along on the choise shrubbery. Remembered a black and blue spot on my log. It looked like the print of a trale's hoof. There was another on my right hip. Where my suspenders crossed were two more, as I have been informed. They was a row must enter, the arrist has devaled by the religious press. It is a domestic scene, full of holy joy and tranquilized by a sweet and dream-like peace.

In order to convey the idea that merits, and show you what a regular one dollar size bottle will do. For all have been informed. his heels, how like sweet income it that has ever been presented.

then run him through a threshing few certificates from prominent indi-machine. While I was standing thus thinking, and getting madder and maddet, the mule, which had wandered up to a large bee-hive, not strong the strong ward. Becoher.

It was being kicked at. The bess swarmed. They swarmed — Christian at Work.

Second deal. They lit on that mule We trust these testimoulais are suflast piece of beehive so high that he sands, but we forbeer. trying to ascertain whether the and taking The Journal. meant it. They did it.

The mule turned loose. I never NEBRASKA LEGISLATURE. veloped in a dense fog of looseness and bees and filled with enthusiasm and stings. The more he kicked the higher be arose from the ground. I legislature of Nebraska is as follows: may have been mistaken, for I was let i somewhat excited end very much de Zuck. lighted, but the mule seamed to rise as his as the tops of the pepper trees. The pepper trees were 20 feet high. He would open and shut himself like a frog swimming. Sometimes, when he was it mid to. when he was in mid-air, he would look like he was flying, and I would thing 6th District.

for a moment he was about to become an angel. Only for a moment. There are probably no mule angels.

When he had got to the tops of the pepper trees I was called to breakast. I told them I didn't want any breakfast. The mule continued to be busy. When a mule kicks himself elean

off the earth his heels seldom reach higher than his back; that is, a mule s fore legs can reach forward and his hind legs backward until the mule becomes straightened out into a line of mule parallel with the earth and ifteen or twenty feet therefrom. This mule's hind legs, however, were not only raised into a line with his back, but they would come over until the buttom of his hoofs almost touched

The mule proceeded as if he desired to harry through.
I had no idea how many been a bive would hold up al I saw that be: hive emptied on that mule. They covered him so completely that I could not me say of him but the glare of his eyes. I can'd see from the expression of his eyes that he didn't like the way things
