A Terrible Explosion. pecial Dispatch to The Bee. CINCINNATI, February 14-The explesion of the gas works at Bucyrus, O., yesterday, caused the complete wreck of the immediate locality. There was a leak in the pumping room, and a large volume of gas escaped, and, filling the room of the building, the

gas ignited from the contact with the fire in the east end. The liberally distributed over Sandusky Avenue and a small portion of the north wall left standing and a few feet of partition remained. The debris was scattered in every direction, bricks and mortar and iron being found on the bridge about eight hundred yards off. Hundreds of windows were shattered for a large radius. A large piece of timber wentthrough the side of Sholer & Hollers tannery and a child was seriously injured about a quarter of a mile from the scene of the

disaster by an fron bolt which came in the window. Cincinnati Threatened.
