Wonderful discoveries in the world have been made Among other things where Sauta Claus stayed Children oft ask if he makes goods or not, if really he fives in a mountain of snow.

Last year an excursion sailed clear to the Pole And suddenly dropped into what seemed like ahole Where wonder of wonders they found a new land, while fairy-like beings appeared on each hand. There were mountains like ours, with more beautiful green. ing around.

Not long were they left to wonder in doub.
A being soon came they had heard much about,
Twas Santa Claus' soif and this they all say,
le leoked like the picturer ease every day.
He drove up a team that looked very queer,
Twas a team of grashoppers instead of reindeer,
he rode in a shell instead of a sleigh,
but he took them on board and drove them away.

He showed them all over his wonderful realm,
And factories making goods for women and men
Furriers were working on hate great and small,
To Bunce's they said they were sending them all.
Kris Kingle, the Glove Maker, told them at once,
All our Gloves we are sonding to Bunce,
Santa showed them suspenders and many things

B aying I also took those to friend Bunce's store.
S a nia Claim then whispered a secret he'd tell,
As in Omaha every one knew Bunce well,
As in Omaha every one knew Bunce well, He therefore should send his goods to he care, Knowing his friends will get their full share. Now remember ye dwellers in Omaha town, All who want presents to Bunce's go round, For shirts, collars, or gloves great and small, Bend your dister or sunt one and all. MICA AXLE GREASE Composed largely of powdered mica and isinglass is the best and cheapest lubricator in the world. It is the best becaused t does not gum, but forms a highly polished surface over the axie, doing away with a large amount of friction. It is the cheapest because you need use but half the quantity in greasing your wagon that you woull of any other axie grease made, and then run your wagon twice as long. It answers equally as well for Mill Gearing, Thresbing Machines, Buggles, &c., as for wagons—Send for Pocket Cyclopedia of Things Worth Enowing. Mailed free to any address.
