MICA AXLE GREASE

Composed argely of powdered mica and isinglass is the best and cheapest lubricator in the world. It is the best because it does not gum, but forms a highly polished surface over the axie, doing away with a large amount of friction. It is the cheapest because you need use but half the quantity in greasing your wagon thatyon would of any other axie grease made, and then run your wagon twice as long. It answers equally as well for MIII Gearing, Threebing Machines, Buggies, Sc., as for wagons—Send for Pocket Cyclopedia of Things Worth Knowing.
