publication of the letter, provided the president did not let up on the inves-

igation. The letter in question was

exhibited in Washington last week to

a few newspaper gentlemen, but none

of them care to publish it. Yester-

day morning the letter was published

stands by it as he does by Dawes' let-

ter. The facts as to how the letter

came to be written are about as fol-

lows: It seems that in the spring

campaign of last year General Brady,

being anxious to show his zeal in the

republican cause and to contribute as

much material support as possible, bethought himself to call on the

mail contractors to contribute to the

shead, possibly for breakers, sug-

gested that a request from Gen. Gar-field would most probably induce the

contractors to come down hand-somely. Acting in this sugges-

tion Hubbell went to Mentor to see General Garfield and tried to

persuade him to write such a request,

out this the General refused to do.

Subsequently Hubbell wrote an urgent

appeal to General Garfield and elicted the brief letter published this

morning, and which seems to have

been relied upon by the star route par-ties as the petard for hoisting the ad-

ministration into an unenviable no-

&c., and yet the president

DARES TO MEET IT.

thinks that the president can be de-

terred by threats or even persuaded to
