QUIET ON THE POTOMAC.

VOLUME X.

Stanley Matthews' Nomination Confirmed by a Majority of One Vote.

A Long Siege in the Senate-

At 12:25 p. m. the senate went into executive session and proceeded at once to further debate on the nomination of

The senate had a long siege in executive session yesterday. The doors closed at 12:20 and adjournment was not reached till 6 p. m. The entire city was thrown into considerable exsupreme court, and resulted in his confirmation by a bare majority. Speeches were made in behalf of his confirmation by Senators Sherman, Lamar and Ingalls, and in opposition by Senators Logan, Edmunds and David Davis. In addition to his long speech of Wednesday Senator Edmunds spoke at length again to-day Strong stress was laid on the geographical complexion of the supreme graphical complexion of the supreme bench. It was thought at one time to-day that the confirmation was im-No vote was reached till

under any consideration. He liked The Illinois Central managers said that hlin as a man, but there was many a they had more new men than they nice man who would not make a good judge of the supreme court. The back to the country. closeness of the vote was a surprise to all sides, but Matthews' friends, who have swarmed the city during the past few days, are jubilant. As to what offect, if any, it will have on the Robertson matter, it is difficult to say.

Conkling labored hard to defeat now average \$9 20 per week. Matthews in defense of the adverse report of the committee, but does not seem to feel badly on that score.

ALL OUIET ON THE POTOMAC. But little seems doing toward at-tempting a compromise on the Robert-son matter, but still waters are said to be running deep, and there is time enough for developments after Pardec and Chandler are out of the way. The report that the president might see fit tendent, and is anxious to have the to make a reply to the five column letter in the New York Herald of Wednesday is officially denied. The day; but they flatly refuse to do so. president never had an idea of paying any attention to the letter.
