MAY 28th, 1881. I hereby certify that the above is the correct list of registered voters of the 6th ward. C. C. FIELD, Register Sixth Ward.

Undoubtedly the best shirt in the United States is manufactured at the Omaha Shirt Factory. The superiority of material and workmanship, combined with their great improvements, that is reinforced fronts, reinforced backs, and reinforced sleeves, makes their shirt the most durable and best fitting garment of the kind, ever manufactured at the moderate price of \$1.50. Every shirt of our make is guaranteed first-class and will refund the money if found necessary. We make a specialty of all wool, Shaker, and Canton flannel, also chemois underwear, made up with a view to comfort, warmth and durability. To invalids and weak-lunged persons we offer special inducements

or their protection. PH. GOTTHEIMER, 1807 Farnham St. Don't fail to see the Monitor Oil Store before purchasing.

in the manner these goods are made
