The Fourth of July at Sidney Hugely Enjoyed.

Another Dirty Trick Played by the Union Pacific Company.

Correspondence of Tun Ban. SIDNEY, July 4 .- Sidney has always been noted for having a good

time on the Fourth of July, but she outdid herself this year. The military of Fort Sidney, the fire department, juvenile fire brigade, the schools and citizens made a splendid-appearing procession over half a mile long. sulted as follows: Conkling 32,
Wheeler 42, Cornell 6, Crowley 6,
Lapham 11, Rogers 4, Folger 1,
Potter 33. Total 155.

Albany, July 6.—Total official first

The town was thrown into excite-ment by a little boy twelve years of age falling under a train of cars at this point, by which his head was crushed into an unrecognizable mass. He was the son of a freighter here named Thomson. His funeral occurred to-day.

A fire broke out here last night at 10 o'clock, which destroyed three store houses, unoccupied, belonging to H. T. Clark, of Bellevue, Nebraska. It was the work of an incendi-

A lady named Abbott, of Lincoln, while returning from New Mexico, where she has been with her husband, stopped off here last week to bury the remains of her infant child, two years old, which died in her arms in the cars between here and Cheyenne. The ladies of the town were kind and sympathetic in caring for the sorrow

and brought in a car to this place. Ten of the men-the St. Louis employed W. H. Michael to defend them. They were acquitted. The other lot were freighters and could not understand that they needed counsel. The justice of the peace before whom they were tried wears the U. P. collar, and when unrestrained by counsel, did the bidding of his master in the most unblushing manner, and sent the defenseless men to jail for ten days. It was one of the most outrageous judicial performances ever enacted in Sidney, and is de-nounced by everybody. Men in the east should be careful and get a written contract before they come out here to work for a soulless corporation.
