Almost Crazy. How often do we see the hardworking father straining every nerve and muscle, and doing his utmost to sup-port his family. Imagine his feelings when returning home from a hard day's labor, to find his family prostrate with disease, conscious of unpaid doctors' bills and debts on every hand. It must be enough to drive one almost crazy. All his unhappiness could be avoided by using Electric Bitters, which expel every disease from the system, bringing joy and happiness to thousands.
