ican Masons by their English brethren that they are paying less attention to report I fraternal charity than to the founding and erecting of costly temples and the used for the purpose of relieving want among their brethren. While this is so, Masonic congratulations will be extended to our English brethren over the magnificent showing of their be-volent funds at the end of the last year. The Grand Lodge reported their fund at \$225,000. The income of fund at \$225,000. The income of three Masonic Charitable Institutions of England, for the year, is given as follows: Royal Masonic Benevolent Institution, £14,880 2s. 6d.; Royal Masonic Institution for Girls, £13,-866 1s. 8d.; Royal Masonic Institu-tion for Boys, £12 256. The Benevolent Institution has some 400 annuitants on its books. The other two clothes, maintains and educates 220 boys and 200 girls.

In the New England States, Ontario, and several of the western states, the number of admissions have been unusually large. More or less work is being continually done in the California Lodges.

President Garfield is and has been for many years an active and zealous Odd Fellow. Some attention on the part of the fraternity expressive of gratitude for his recovery is said to be

A NEW MYSTIC ORDER.

The St. Louis Republican announces that a new order, originating in St. Louis, has been organized by some of the prominent citizens, merchants and marked event, as the appearance of a marked event, as the appearance of a the forestry broken occasionally by a others for benevolent and beneficiary stranger among them was of rare oc-objects. It is founded upon a sign, currence. They told of a visit in 1852, clearly discern the Bradshaw range or ancient hieroglyphic, more ancient than history itself. It has been found than history itself. It has been found engraved upon rocks, sarchopagis, obelisks and pyramids. It is also found among the prehistoric symbols of China, Japan, Hindostan, and particularly in Egypt. Pythogoras, Plato, Lycurgus, in their visits among the Egyptians, all saw the symbol, and brought it back with them on their return to Greece. Upon this has been founded the order which will shortly become an organization among the mystic orders of the human race. There are three degrees in the order. The work has been gotten up by a citizen of St. Louis. shortly become an organization among the mystic orders of the human race. There are three degrees in the order. The work has been gotten up by a citizen of St. Louis. None except persons of the highest moral character will be admitted into the order. When an applicant is proposed for membership his name is aubmitted to a committee of three, who give his character and standing in the comunity a rigid and thorough examination, and when the name is presented to the "Camp," even though a thousand men are present, one black ball will reject.

In form and features, modest in their habits, and dress with more neatness than the orders with more neatness than the other Indians of Arizona. Some few of their number have learned a smattering of Spanish, and at intervals thoy send a delegation to Prescott for supplies. Their hunting ground lies southeast, and abounds in deer, antelope, wild turkeys and bear. They live in huts built by combining mud with sticks, willow or cottonwood, and cultivate every kind of cereal. At the lower end of their gardens I noticed that vegetable beds and fruit trees are coated with a beautiful stalactite formation, making in appearance petri-

The charge is not on he arrived at his bed-room door gave whole well founded. American Masonry is less ostentateous perhaps than that in England, but not less effect-wife, (for it was that individual), "you ive. Its charities are dispensed in silence and its ministrations to the sick and destitute unrecorded and unpublished. Many of our oldest lodges possess special charity funds which are used for the purpose of relieving want

ARIZONA WONDERS.

Grandeur of Yosemite Excelled by Cataract Canyon.

High

Flagslaff, A. T., Cor. San Francisco Examiner.

Last evening we reached this heroic spot, where the first American flag that floated over the Pacific coast soil was unfurled from the top of the tall limbless pine tree that has stood the The Grand Commander of K. T., of storms of thirty-five years to attest Illinois, has forbidden the conferring the patriotic pride of John C. Fremont, who lived to realize the hope of that hour. Gen. Fremont, in his transcontinental trip of 1845-6, was so much elated on finding a "voluntranscontinental trip of 1845-6, was so much elated on finding a "volunteer spring" (an Arizona term for a natural spring, in contradistinction to underground streams tapped by digging) in the midst of a forest, that for fairs to raise funds.

The Grand Lodge of Indiana is working hard to lift its debt; \$14,333 were paid last year, leaving an indebtedness of \$80,000, of which, it is thought, \$26,000 will be paid this year.

THE ODD FELLOWS.

THE BEE had hoped to publish the names of the officers of the various Omaha lodges and encampments but teer spring" (an Arizona term for a natural spring, in contradistinction to underground streams tapped by digging) in the midst of a forest, that he pronounced the place a fit spot for unfurling the stars and stripes, and naming it Uncle Sam's country, which, indeed, proved prophetic. We are at the base of Fremont Peak, from the summit of which the general also floated the national banner, and Omaha lodges and encampments but also floated the national banner, and the promised lists have failed to reach | from that day to this, the peak, the

us from the secretary.

The Reberah Degree.

The question frequently arises, "Who are entitled to the Degree of Reberah?" John H. White, P. G. M., of New York, the compiler of the Digest, answers said question as follows: "All Degree of Truth members, their wives: unmarried days, and give some details of what I saw and heard while in Cataract Canyon.

This most prominent of the San Francisco mountains, has borne his name, while the beautiful little green valley below was called Fagstaff. But I will when I assure you that there is no other means of ingress and egress. In the light of the day once again, we speed our way in the direction of the San Francisco mountains, 130 miles to the southeast. Bearing to the cast

The many new orders that have sprung up within the past few years do not retard the constant onward progress of American Odd Fellowship.

On the contrary, reports from all included the contrary in the contrary of the contr measuring more than twelve inches across, with most luxuriantly developed seed, which is utilized in the following compound: One part pulver-California Lodges.

In the district court, Douglas County.

To Samuel C. Davis, Caroline Davis, Elizabeth B. Tomlinson and the heirs or devises of Henry T. Tomlinson, deceased whose real names are unknown, non-resident defendants.

You are hereby motified that John T. Davis, plaintiff and present owner of the land hereinafter described, did on the 17th day of June, A. D. 1861, die his petition in the district court in and for Douglas county. Neb., against you as defendants setting forth that on the 12th day of January A. D. 1860, the said Henry T. Tomlinson, and Elizabeth B., his wife, executed and delivered to the said Samuel C. Davis a deed of lands situated in said county in which a portion of the lands intended to be conveyed was by a cierical error erroneously described as the north ‡ instead of the west ‡ of the southwest ‡ of sec. No. 1, in township No. 14 north of range No. 11 east according to the true intent of the parties thereto, which deed is duly recorded in the office of the clerk of the county of Douglas iu book M of deeds at page 182.

The object and prayer of said petition is that said error be corrected and that said deed be construed as conveying the west ‡ of the southwest quarter of said section No. one, and that the title thereto be adjudged ta be in said plaintiff or in those lawfully claiming under him the same as if said error had not been made and that you and each of you be forever excluded from any interest in said land on account of said error and for such other to further relief as may be just and right in the premises. And your are and cach of you is hereby notified to appear and answer said petition on or before the 1st day of August, A. D., 1881.

Dated June 23, 1881.

JOHN T. DAVIS, Plaintiff.

JOHN T. DAVIS. Dated June 23, 1881, Ws. K. Miller his Attorney: Notice to Non-Resident Defendants Notice to Non-Resident Defendants

E. D. Lane (full name unknown) will take notice that he has been sued by Dudley M. Steele, Samuel R. Johnson and Sanford W. Spratlin, copartners, doing business under the firm name of Steele, Johnson & Co., in the District Court of Bougias county, Nebraska, to recover 86,631.29, and interast from October 18, 1880, due them on a promissory note bearing date April 20, 1878. Also that an attachment has been made on certain funds in the First National bank of Omaha, Nebraska, belonging to you and which the said parties above named seek to obtain to apply in payment of their said claim.

You are required to answer said petition on or before Monday, the 22d day of August. A. D. 1881.
