Session at Which Laying Sidewalks is Discussed.

Slocumb is Slighted With the Usual Regularity.

night, at which all the members were present except Mr. McGavock.

Mayor Boyd's appointment of John Taylor as poundmaster was approved. The mayor approved the ordinance providing for the printing of one hundred \$1,000 bonds for sewer pur- That's What a Railroader Did

J. S. Collins asked to be allowed to lower the sidewalk at Nineteent's street and Capital avenus. The matter was

Property owners on Eleventh street protested against the erection of a bridge over that thoroughfare. They claimed it would damage property. The petition was referred to the com-

mittee on streets and bridges. The board of fire underwriters re quested the adoption of some meas ures to prevent the premature remov yesterday for the Lincoln encampment all of engines from the scenes of fires. It was referred to the fire committee.

The heirs of Reuben Gaylord and others petitioned for raising the grade on the north side of Faraham street and in front of lot two, Capitol avonue, before the residents were compelled to lay sidewalks. The matter was referred to the committee on sidewalks.

The street commissioners' report for August showing \$1870.72 expended was filed.

E. D. Kitton, appointed to examine into the accounts of ex-police judge Pat O'Hawes, reported that the cation of the plaintiff's attorney until amount due the city for March and April was \$324, of which \$247,80 was paid carrying a balance of \$72.20.

ust was filed.

committee on streets and grades.

City Engineer Rosewater submitted an ordinance for a levy for the curbing and guttering of Farnham street, between Fifteenth and Eighteenth, and an appropriation ordinance in man no provocation, but he carries favor of John Green. The papers his jaw in a sling all the same. were filed. A survey of block 344 was referred to the committee on public improvement.

matter was given to the committee on | cy.

The sewer appraisers reported in favor of allowing \$15,348.93 on account of the Ittner contract; \$23,-806.59 on M. C. Meaney & Co.'s contract, and \$7,022.98 on L. B. Stanley & Co.'s contract, making a total of \$46,178.50. The report was referred to the committee on sewerage. Several bids to furnish hay and coal

were referred. Mr. Baker presented a resolution to begin at once laying crosswalks and getting the street hands to do the

work. It was laid on the table. On resolution of Mr. O'Keefe the president was authorized to appoint Fort Bridger, Wyo. a committee of six with the mayor as chairman, to thoroughly investigate the causes of Sunday's fire.

The committee on sidewalks was instructed to purchase 20,000 feet of lumber at a cost not to exceed \$14

per thousand. The street commissioner was instructed to put Eighteenth street from resume her studies at the Sacred Heart Izard north to the end of the street car tracks in condition. A similar resolution in regard to Center street at its intersection with Cumings was

adopted. at work for a day in putting Idaho select. To-night the regular class be street in condition was referred.

The street commissioner was instructed to cut away the obstruction on Davenport street at and near its intersection with Twenty-third street, and to fill the city well on the north-west corner of Thirteenth and Douglas streets.

The city clerk was instructed to advertise for proposals to purchase lot 5, in block H, and a strip of ground in block 344.

The committee on finance was in structed to report at next meeting the amount in the general fund with an estimate of probable expenditures for the next ten months.

The president appointed the follow ing special committee to investigate the causes of the fire, the mayor to act as chairman; Messrs. O'Keefe McGavock, Baker, Stull, Dunham and

Hornberger, The demand of Duffy Bros. for war rants for grading Cass street, which was referred to committee, was filed. The report of a special committee in regard to the bridging of Eleventh

street recommended a conference be-tween the city engineer and U. P. engineer. The report was adopted. Fire hydrauts are to be placed at Seventh and Douglass streets and Eighth street and Capital avenue.

The appropriation ordinance, voting about \$8,000 was passed. An ordinance levying a special tax of \$3,569,40 for curbing, and guttering Farnham street, from the east side of Fifteenth street to the mid dle of Eighteenth, was passed.

An ordinance fixing the compensa-

tion of the inspector of weights and measures, and one regulating the street railway, were passed. The president was excused from attending council for a few weeks, after

which the body adjourned. Manager Marsh's Arrival.

R. L. Marsh, manager of Boyd's opera house, arrived in the city last night, and will make his headquarters every day at D. Guild's on Tenth here until that theater is opened. Mr. Marsh says it is no longer a question Marsh says it is no longer a question Farnham

of getting the best troupes in the country to come here, but merely one of assigning them duty. His mail since his arrive, in the city has brought him a degen applications for dates. The Hote, opera company want to book for the opera house and Max Strakosch b as writen to arrange for his appearance here.
