STOCKS. The stock market opened irregular and was feverish and unsettled in the early dealings but most of the list fell off k@l per cent; subsequently, however, a firm tone prevailed and before noon an advance of [@2] per cent took place. SOCIETY SUNBEAMS.

Stray Notes From a Dull Week.

A Coming Social Event-What the Clubs Are Doing.

Social Notes and Polite Person alities.

THE WEEK

has been unusually dull even for

principal cities of the Atlantic seaboard. They carry with them the hearty good wishes of a host of Omaha friends. THE CLUBS

are making active preparations for the winter season. Under its new management the "Pleasant Hours" has prospects of a more brilliant season than ever before. The completion of the new opera house will furnish this organization a gathering place in every way fitted to accommodate its large membership, and arrangements are contemplated, which, if carried out as intended will give to the meetings of the club more of the features of club life than ever before. Sans Ceremonie" club which was organized last year and proved such a brilliant success is already overcrowded with applications for membership. Standard hall will be used again this winter for the parties ot this organization, and membership will be strictly limited to the capacity of the hall. The opening of BOYD'S OPERA HOUSE,

which will occur about the middle of October, will be a social event of more than ordinary interest. The opera of "Mascotte," which has proved such a genuine success on the New York boards will be presented by Mr. Fay Templeton's full troupe. As far as practicable full dress will be the order of the evening, both for ladies and gentlemen, it being the wish of our people to open the new temple of amusement with as much eclat as that which attended the Denver opera house. The wonderful rapidity with which the work on the interior of the building is progressing gives assuris a singular coincidence that the first dramatic company in Omaha, and which played in a little barren hall about the year 1855, was headed by the same John Templeton who now manages the Fay Templeton opera company, which is to play "Mascotte." No one will probably appreciate in a greater degree than Mr. Templeton the change in Omaha's amusement facilities which twenty-five years have wrought.

Social Notes. Visits to kind "uncles" for ulsters left there accidentally last spring are now in order.

The small number of weddings in our city has revived the conundrum, Why is Omaha like Heaven?" Because there is neither marriage nor

giving in marriage. Cut flowers are now at a preminm, but "wall flowers" will soon be at discount.

The thirteenth anniversary festival of the Concordia society held last Tuesday evening at Standard hall was a most enjoyable affair. Several little informal gatherings were noted on Capitol Hill during the

The Lutheran church young people held a pleasant little social on Friday evening at the residence of Mr. William Sexauer.

On Thursday evening a very pleasant church social took place in the parlors of the Presbyterian church. Mr. Chat. Morgan gave a party on Tuesday ever in in honor of the anniversary of his twentieth birthday. It was a decidedly Chatty affair, and all the more highly enjoyable because of the absence of all Ceremonie.
