nuisance. When others want the

window open to secure ventilation he,

in consideration for his bare pate,

wants the window shut. If he puts

on his hat nobody sees that he does it because he is bald and he is thought

unmannerly. Some professors and doctors wear skull caps, but they look odd, and wigs are much better. The

market is always well supplied with all colors and shades of hair, the best

of which is imported. Men don't 'wreath their wrinkled brows with

well saved combings' as wemen com-
