EXTREMES IN AGE.

Monastery Founded by St. Benedict.

And Viewing a Gondola Race on the Canals of . Vanice.

Ecme Correspondent to San Francisco Crinicle. Over this cave the first chapel was ticulars.

There is something mysterious and the solid rock, with its vaulted corridors, and broad steps that lead down into a lower church, scarcely less gorgeous, where beautiful painted glass windows throw strange shadows and lights, and as the eye accustomed itself altar there is a marble figure of him, kneeling in the attitude of prayer before a cross (executed by Raygi, a sculptor of Bernini school). In that dim light it has a wondrous effect, in the untouched rocky cave where he is said to have lived three years alone in darkness and silence, his retreat known only to a monk named Romanus, who ment and shelter.

A HISTORICAL MONUMENT. The building of Santa Scholastica is

A GONDELA BACE. But the great festa of the season was a gondola race, got up in honor of the geographical congress in Venice, regardless of expense, it appeared, judging from the lavish beauty of the scene. Sun, sky and atmosphere all were in harmony. Bissone, large gondolas with allegorical names and

from coral fishing with an abundant naturally come to his support are cargo, which consisted of heaps of strong. They caused the late clothed in white drapery, gracefully reclined at the poop, embowered in flowers. At the prow was the figure

lion. Skins of wild animals, masses lion. Skins of wild animals, masses of snow and ice, completed this fan. Stanton when taken into President Lincoln's cabinet was a resident of tastic cargo. Each bissone, a picture in itself, propelled by gorgeously dressed gondoliers, fellowed by the royal barge down the canal to the station and back to the Foscari palace, three miles, the compititors nine in the senate and become a cabinet number, and the crews distinguished officer has no foundatian in fact.

by the color of their boats and cloth. The three southern men whose names May Visit to the Famous Balbo and Lingi Zaneletto, received cided to give to the south a representhe first prize, 350 lire.

CABINET TALK

Speculations About the Composition of the New Anti-

Garfield Cabinet Washington Correspondence to New York Times There is very little talk in this city rises the monastery founded by St.
Benedict in the fifth century. It consists of two buildings, the lower that of Santa Scholastica, so-called in president's confidence, and other cir- If this assumption be correct, Mr. honor of St. Benedict's sister, and the cumstances and indications, when con- Storrs may be regarded as eliminated upper the Sacro Spoco, which com-memorates the cave of St. Benedict. Sidered as a whole, may lead to a pre-diction that is accurate in many par-would willingly consent to remain in

Other chapels were soon afterwards crected, and in the eleventh century the present church was built. The style is othic, the ceiling and walls frescoed; and though the columns are somewhat faded, still the general effect is harmonious.

BUILT IN THE SOLID ROCK.

One of them—that of secretrry of the treasury—has already been removed from the realm of conjecture by the appointment of Judge Folger in the place of Secretary Windom, who resigned in order again to become a senator. The present head of the state department, Secretary Blainc, will retire on or before Jan. 1. and holds, must nevertheless be considerawe-inspiring as you come suddenly that he will be succeeded by ex- cause of the character of his administo the "dim religious light" numerous ment will probably continue to occulittle grotto chapels become visible. Py that position throughout President tions, and are supported by some inout, his finger on his lips, imposing silence.
