the Son of a Friend.

The Rash Act of Major Prentice.

Senator from Rhode Island, recalls an be impossible to reach the president firmly to the whig cause as state ever own mouth. For years he had not was held to any cause; and it remained seen Mr. Lincoln, and he might have whig till the dark shadow of treason grown cold or forgotten him and rebellion fell upon the state; an event which the kindly hand of death kept from the sight of the great father had labored sollong and earnestly.and take up arms againsf it.

A DASHING MAJOR.

mand of the Department of the Ohio think I'd let them hang your boy! this son of George D Prentice was a Sit down and tell me a story." It have a population of about six or Major, fighting in the Confederate was no time with the anxious father seven hundred. Town lots and doorarmy in Georgia. His battalion was for telling stories. He hastily sugcomposed of Kentuckians, mostly from gested that probably the telegram Louisville. It was a brave and dashmight have failed. "I have sent aning body of men, and the young Major other and here's the answer. Your had earned a distinguished reputation boy is safe." And then, with the in look around over the village and surfor dash and boldness. In a short stincts of a lawyer, he turned to the time the battalion was not merely dec- cabinet, took up pen and paper, and imated, but literally cut down to a wrote another dispatch to Burnside small fragment of its original force, substantially as follows: and Major Prentice conceived the rash idea of working his way along through called for the trial of Major Clarence comfortable structures, finished with the Union lines back to his home in Prentice be immediately dissolved. Louisville, to recruit from among his friends enough fresh men to fill up his command. On the route he tell in said, 'let us go and see that this is pretty and inviting structure that with a gentleman of his acquantrace, immediately sent to Burnside, and who inquired: "Where are you wait on his reply" It was so sent, bound?

"For home." "On parole as a prisoner?"

"Quit the confederate service?"

"What then?"

for my command." The gentleman, as a lawyer, and a

this mere boy in years, no persuasion could change his once set resolution. Prentice was in citizen's dress, and his friend remarked it, adding: "Do you know, young man, that you are running your head into a halter with that dress on? If you must take this d.y. will be tried and condemned as a spy, but they will shoot you, and not hang

The young man did not know this. He was a fighting, not a reading solcier. Brightening up at the question, he said, after a moment's thought:

"Is that so? Is that military law?" sully the family history.'

tuckians and Louisville recruits. BROTHER AGAINST BROTHER.

It was one of the darkest phases of that terrible conflict that brothers The parson is an instance of wonderwere often found fighting on opposing ful conversion. He twirls his shillalah sides and schoolmates grappling with each other in the death struggle. At Pea Ridge an old man in blue was bayoneted by a youth in gray, when the latter recognized his father as his victim, and instantly killed himself. Major Prentice was "spotted" by an old scoholmate, who, subordinating friendship to the stern demands of military duty, reported him and was detailed to arrest him as a spy. He was closely shadowed and tracked to nightfall and arrest was put off till 10 fight for the freedom of Ireland, and o'clock next morning, but a company of Union soldlers was drawn around the house to prevent escape. At 10 a broth of a boy. next morning the schoolmate captain entered and found Major Prentice in the parlor in full, new confederate

"How are you, John? Glad to see you. Had you breakfast? What brings you here at this hour?" said Prentice.

"I have had breakfast, and, Clarence, you know what has brought me spy, and I am sorry to meet you on

"Well, there is no rope in it anyway," answered young Prentice, with the utmost imperturbability. "You

see I am in full uniform. "Yes; but you were not in that dress when you entered this house,'

answered Captain John. ARRESTED AS A SPY.

He was at least a rigid disciplinarian, and always ready for the strict enforcement of military law. It would have How Abraham Lincoin Saved given him no more pain to hang or Two Prosperous Towns Nestshoot the son of George D. Pentice, convicted as a spy, than the raggedest private in the rebel service. The case, herefore, had a desperate look from the beginning. There was but one way to save the prisoner, and that was through President Lincoln. Even The death of General Burnside, that was doubt ul, for it might

inculent in his military life which had before the court martial had decided probably long passed from his memory, the prisoner's fate. The editor of but which can never be forgotten by The Journal instantly telepraphed to some who were deeply concerned in it. his old whig friend and admirer and of Hastings, in the midst of a good Before President Lincoln became a at once set off for Washington. The Republican he was a Whig; always a telegram was duly received, and Burn-Whig up to the death of that party, side was telegraphed to put off the which may be said to date from the trial till further orders. From some of the town, The Plaindealer, is of-death of its great leader, Henry Clay, unexplained cause this dispatch failed fered to the people by H. C. Ayre, in 1852. Around Henry Clay such to reach Burnside's headquarters, and men as Thomas Corwin, John J. Crit. the trial of Major Prentice was believes in anti-monopoly, and is just tenden, Horace Greeley, S. S. Pren going on when his father tiss of Mississippi and George D. reached Washington. The de-Prentice of Kentucky revolved as lays of civil courts are not known to the gathering storm in Nebraska. satellites, forming the most brilliant courts-martial. Judgement follows constellation known to the politics of quick on the heels of evidence, and America. Among all the host of sentence and execution as rapidly folbrig t names so lovingly associated low judgment. In the case of Prenwith that of the illustrious sage of tice an hour might decide whether he shops, fill up this village of perhaps Ashland, none shone with brighter should live or die. The intelligence four hundred souls, luster than that of George D. Pren- of the old journalist had silently detice, the witty, eloquent, enthusiastic bated all these chances while on the editor and founder of the old Louis- way to meet Lincoln, and though he ville Journal, now known as The believed in his heart that his old grist mill, for one seems very much Courier-Journal. The eloquence of friend would save his son, he did not needed, and there is a good chance Clay and the journalism of Prentice waste a minute in seeing him and here for some good hotel man. working together, held Kentucky as hearing the truth from the president's

SAVED FROM DEATH. office, there, seated alone, apparently many a mile.

E. P. Basbyshell & Co., hang out in deep thought, was the long, unchampion of the cause. Prentice in deep thought, was the long, unlived to see the cloud break; lived to see his best beloved son, Clarence, might make him happy or send him corner of a dry goods, groceries, hardin sorrow to the grave. The long, ungainly figure raised its head, turned store. its face toward the entrance, and, When General Burnside had com-tenderness, said: "Prentice, did you

Ordered-That the court-martial

A. LINCOLN, President. And then turning to Prentice, he and the receipt acknowledged by Gen-school, although it is now too small President Lincoln prevented one of his large department of the school is held strictest Generals from taking the life in the basement of the brick on the of the gallant, but misguided son of an hill, the M. E. church. old friend. There was an outcry against it at the time, but greater dollars, while the comfortable wood "I am going to recruit in Louisville events soon hushed it into oblivion. piles and the music of the buck-saw, And now, when charity and brotherly affection upon both sides have taken turb this commuity. thorough one, was astonished at this the place of auger and bitterness, this information, and he replied with incident of the war rises up to bess all doing a lively business. energy: "Do you know the danger the name of Lincoln. All the parties to it are dead and gone-Lincoln, up, with gravel, along through town, Prentice, Clarence, the son, and last so their track and the surroundings "I know that I may be, but I am of all, Burnside, whose death should have been much improved. rescived, and you know what that have been easier for having been so

Nearly a Miracle.

E. Asenith Hall, Binghampton, N. Y. writes: "I suffered for several months with a dull pain through the lung and shoulders. I lost my spirits, appetite and color, and could with difficulty keep up all that dress on? If you must take this d.y.
