WORTHY OF PRAISE.

WORTHY OF PRAISE. As a rule we do not recommend patent medicines, but when we know of one that really is a public benefac-tor, and does positively cure, then we consider it our duty to impart that in-formation to all. Electric bitters are truly a most valuable medicine, and truly a most valuable medicine, and will surely cure Biliousness, Fover and Ague, Stomach, Liver and Kidney complaints, even where all other rem-bilics fail. We know whereof we speak, and can freely recommend to all.-[Ex. Sold at 50 cents a bottle.] Ish & McMahon. (7)
