The ice went out of the river on Saturday. The board of trade meets at 7:30 to-night. The city council will meet to-morrow evening.

DATUS THE DARLING

A Real Man With Pants Running the Sufferers' Convention.

His Modesty in Family Matters Too Refreshingly Soufial. A Lost Opportunity for a Crooked Pin.

Correspondence of the Bee. LINCOLN, February 10.—Did you ever see a jumping jerk in the hands of a boy, who kept fooling with the string before he was quite ready to produce the grand somersault.

—A beautiful sight was witnessed on the Iowa bluffs by some of our citizens last night. The cause was apparently the burning of dry grass, or possibly of a fence, or both.

—Mr. James Callahan, of the U. F., wishes to understand that John J. O'Conner was a brother-in-law of his, and that he is not buried at the poor farm.

—There was a report Saturday that another case of small pox had broken out at the Slaven house, as Dr. Leisenring's buggy was seen standing in front of the door during the forenoon.

—The weekly meeting of the Good Templars Friday evening at Knights of Honor Hall was largely attended. The lodge is growing very rapidly and soon will, no doubt, be the largest in the State.

—The regular order of business was disposed of and the evening was entertained by Messrs. Whitman and Tom, who had prepared some excellent papers.

—George Stebbins lost his horse Friday. Or, at least, he thought he did. A man accosted him at Bell's drug store, where he had stopped, and stated that he would take the horse to the stable if Mr. Stebbins wanted him.

MORE COMPLAINTS.

The Denver Line Mail Clerks on Their Muscle Again. Several of the Denver short line mail clerks were in Chief Clerk Van Dervoort's office Saturday, and lifted high their voices in lamentation.

Lord of Thanks.

Our warmest thanks are given to the order of the Eastern Star, Free Masons and Burns Club, and the many kind friends who assisted and sympathized with us in our late affliction; also for the beautiful floral gift from sympathizing friends.

Two Organs.

Regulate first the stomach, second the liver; especially the first, so as to perform their functions perfectly, and will remove at least nineteen-twentieths of all the ill that mankind is heir to, in this or any other climate.

MILITARY ROAD.

Resolutions Adopted Regarding Its Relocation to the Old Track.

A meeting was held on Thursday evening last at the Tinno school house, district "44," for the purpose of discussing the relocation of the old "Military road," on which a change has been made, extending from a point directly west of Irvington for a distance of several miles, and it is claimed to the great disadvantage of the majority of the people in that section of the county.

RAILWAY MATTERS.

NATIONAL ASSOCIATED PRESS. PHILADELPHIA, February 12.—The officials of the Pennsylvania railway are non-committal regarding the statement that in a few days the road will begin cutting western freight rates in retaliation on the Baltimore & Ohio, which it is alleged is following that course.

SPRINGFIELD, Ill., February 12.—The McLean, Havana & Quincy railroad company, which proposes to construct a line from Bloomington to Quincy, filed articles of incorporation with the secretary state. Capital, \$1,000,000.

PHILADELPHIA, February 12. It was officially announced at the Pennsylvania railway office yesterday that the trunk lines have all put up a money forfeit to guarantee faithful execution of preliminary contracts entered into for an advance of rates.

NEW YORK, February 12.—An agreement has been made between the New York, Susquehanna & Western railway company, (formerly the New Jersey Midland), and the Delaware, Lackawanna & Western railway, which will open an immense coal field in the Lackawanna valley. The former road will make connections with the main line of the Lackawanna at Gravel Place, that being the northern terminus of the Susquehanna road.

NEW YORK, February 12.—An adjourned meeting of the consolidated mortgage bondholders of the Columbus, Chicago & Indiana Central Railway was held yesterday. Julius Wadsworth, chairman of the previous meeting, was not present, because he did not wish to countenance the scheme proposed by the committee.

STAR ROUTE.

ANTONIO SOLTEDO. What a Schoolmate Says of the Man Who was Shot by an Editor. The news of the shooting affray in a Washington newspaper office Thursday night, followed by the announcement that Antonio Martinez Soltedo, who went in to bluff the editor, will probably die of his wounds within a few hours, brings out the fact that Soltedo is an old schoolmate class-mate of Mr. J. B. J. Ryan, a well-known newspaper man of this city.

Although opened only two months ago, the Opera House Clothing store is rapidly gaining popularity by low prices and good goods. The stock is entirely new, and sold for cash at strictly one price. "Marked in plain figures" on every article. Call and examine before going elsewhere.
