STOCKS

The stock market to-day was again active but the course of prices was irregular. During the morning a strong tone prevailed and prices advanced sharply led by Louisville & Nashville, but after midday a weak tone set in and the advance was almost entirely lost. During the afternoon there were several rallies but they were all lost under the working of the money market, which was very stringent late in the day, and a heavy pressure to sell, prices were carried down rapidly, the closing quotations being generally the lowest of the day and showing a drop of from ½@4½ per cent for the day, led by Louisville & Nashville.

CHICAGO MONEY.

CHICAGO, February 28.

This being the last day of the month there was a pretty active demand for money by board of trade men and others but in view of a good supply of loanable funds the possessors of gilt-edge paper found our leading discount ready and willing takers at 6@7 per cent per annum.

Eastern exchange between city banks was a shade firmer at 50@60 cents discount per $1,000.

The clearings of the associated banks were $64,000,000.
