There has been no material change in the condition of affairs in this city since Saturday. The excitement did not abate any yesterday, but on the contrary seemed rather to increase.

ARRESTING THE LEADERS.

About 5 o'clock Saturday evening two arrests were made by the officers on warrants issued by Judge Beneke during the forenoon. These warrants were sworn out by Deputy Marshal McClure, under the direction of Mayor Boyd, and charged an assault with intent to kill.

The first arrest was that of Major W. A. Fonda, who was taken custody as he came Turner Hall by Deputy Sheriff Crowell. Barney Shannon was arrested about the same to the pest house a few days since from time at his saloon on 10th street by the Albany house, on Tenth street, died at Sheriff Miller. Both parties appeared in police court, where Walter Bennet appeared in their behalf in the matter giving bail, which was fixed by the judge at \$2,000, the bond requiring them to appear at 10 o'clock Thursday morning and in the meantime to keep

> Warrants had also been issued for President Walsh, of the Labor union, and James Knight, president of the Iron Moulders union, who about 7 in the evening voluntarily

SURRENDERED THEMSELVES

to the authorities and gave bail in the same manner as the others. W. C. Van Norman, the secretary of the labor union, was also wanted by the officers, but had not been found up to a settlement of the difficulty, saying last accounts. Warrants for John that the responsibility of that should Doe and about one hundred others. names unknown, are out, under which who originally did the striking, and numerous arrests will no doubt be

He had not expected that he would be permitted to speak, being out on bail, but as President Walsh had not been boys formed in line and armed themselves with sticks of uniform length, and marched through and around the grounds and the nearest streets. They interfered with, thought he would not be. He said that as he was returning halted in front of THE BRE office and gave three cheers, then in front of the from the justice's office, after giving bail, a drunken militia man had in-Union Pacific headquarters with an expression of their alleged feelings. sulted him and he would have knock-ed him down but for the bond he had At one time, down near the dump they had occasion to make a bayonet charge which they did in good order. All day long a crowd of visitors the Union with \$103 and expressed the sympathy of the machinists who

numbering from one to two thousand was on the ground, coming and going constantly. It included every class and toward evening increased in size when the time for dress parade arrived, which was about 5 o'clock. A COLLISION.

Mr. Krieger explained the original motion of Mr. Quinn in German, and Mr. Boiden in Danish; it was then At this time the crowd included a good many boys and men who while watching the evolutions of the companies as they formed in line indulged in considerable abusive lanored laborers in the city, and said that many of them were members of the Union, and more would be soon. The following resolution was then unanimously adopted by the meeting: usual at the point of the bayonet.
While so doing a buggy drove through containing Mr. Frank Frick, who was Omaha, in mass meeting assembled, do hereby request Mayor Boyd to ask that Gov. Nance withdraw the troops driving, and a friend. Be-coming confused by the crowd Frick stopped his carriage sent to Omaha to quell the so called riot; the circumstances and facts in the case proving that their presence spoke briefly and requested that a telegram which was received from BEE office last night and stated that

are not, only determined to assert our Senator VanWyck be read. It was as Mr. Frick's injuries are quite severe, rights." Mr. Walsh declared that the follows: and that great indignation was felt among his German friends, who would a consolidation of the Wabash with with a little en couragement have gone over and raised a big row about the matter.

Soon after this an expressman who drove through with a lady was similarly treated; an officer running after him and striking him across the back with his sword. The driver started to get out and whip the officer but he saw the odds were too much for him.

A SHARP SKIRMINH.

A moment after this the crowd

which began pressing in on the lines was driven back again and howled, hooted and jeered. A peaceable and well known citizen, Mr. Geo. P. Armstrong, started to cross the street and was stopped with a bayonet. He grasped the gun to wrest it away when several rushed to the rescue. A general fight seemed imminent when one of the soldiers cocked his gun and drew a bead on the crowd, which fled like sheep, knocking down a fence in their flight. It was stated that Mr. ance of the friendly relations existing Armstroog was badly hurt and had a bayonet wound six inches deep. There was the greatest excitement for a time followed by the whole crowd. who forgot their injured feelings in the

WASHINGTON, March 11 .- Senator Van Wyck, of Nebraska, has received the following from Edmund Walsh, president of the Omaha Laborers Protective union:

"No disturbance. Use influence with the president to have troops withdrawn.

The senator called at the White house but the president was out driving; he also called on the secretary of war and showed him the dispatch. It is probable the troops will be withdrawn soon.

The secretary of war has decided not to withdraw the troops from Omaha until he hears from the governor Nebraska. "A CARD,

HALL OF DIV. 183, B. OF L. E., OMAHA, Neb., March 11. At a regular meeting of Division No. 183, Brotherhood of Locomotive Engineers, the following resolutions were unanimously adopted, Division No. 98, of Lincoln, through their WHEREAS, At a meeting at Kess-

ler's hall, this city, Friday, March 10, of the so-called labor union, etc., etc., While on the grounds, The Bee of the speakers amounced that he ing of troops to the city disgraced its reporter endeavored toffind out the had held a conference with the chief men of the Brotherhood of Locom tive Engineers, who said that if the B. & M. managers did not accede to the demands of the labor union, that all the engineers of the road would be compelled to join in the strike. Said announcement was received with apnlause.

Reselved, That we denounce the above assertion as false in every sense of the term. That whilst we recognize your right to strike, your resorting to mob violence and force in open violation of the law, has subjected you to the hearty contempt of all honest organizations who strive to At the close of the mass meeting a

wandered out into the darkness tocool his fevered brow and wonder at the courtesy and communicative-ness of the chief executive of Nebraska, and also puzzle his benighted intellect over the conundrum, who is in commandf

CONSOLIDATING ROADS.

The Wabash System to be Divided Between the Union Pacific and Missouri Pacific.

The latest railroad gossip is that the Wabash system is to be cut in halves, and one part consolidated with the Union Pacific and the other with the Missouri Pacific combinaguage to the militia, hooting at and insulting them and occasionally throwing a clod or some missile at them. It was necessary to clear the street in order to the missile at them. It was necessary to clear the street in order to the missile at them. It was necessary to clear the street in order to the missile at them. It was necessary to clear the street in order to the mission Pacific combinations. According to the report the union Pacific has already or will acquire the old St. Louis, Kansas City & Northern system, which comprises order for the companies to get out of & Northern system, which comprises the barracks and this was done as a line from St. Louis to Kansas City, Be- considerably over one thousand miles. Under the laws of Missouri the Wabash and the Missouri Pacific cannot be consolidated. The reason for this when the guards set upon him and be consolidated. The reason for this following the buggy paraded him is in the fact that the Missouri Pacific

the Union Pacific have united to overcome the only obstacle in the way of the Missouri Pacific system.

A Card of Thanks

to the Proprietors of THE BER. At a special meeting of the compositors employed in THE BEE office, held Saturday, March 11th, the following resolutions, offered by Mr. Manning, were unanimously adopted:

Whereas, It is a known fact that the proprietors of THE BEE have always paid higher prices for their composition than any newspaper in this city, and have always enjoyed the good will and friendship of their com-

positors thereby; and,
Whereas, We, the undersigned compositors, employed in said office, duly appreciate the still further voluntary increase in prices inaugurated Friday, the 10th inst.; therefore,

Resolved, That we, the composi-tors of The Bee office, heartily ap preciate this recognition of our serbetween employers and employes.
