More Glory Than Pay in the Recent

Helena Heraid.

If carrying the mails in Montana under the new lettings commencing July 1, 1882, is a criterion by which to judge of the Star Route lettings elsewhere, the Government for the next four years will have the cheapest servich yet performed. A comparison of past and present pay with that which goes into effect on several routes in Montana after July next shows an extraordinary margin next shows an extraordinary margin of difference in tayor of the Depart- "Beg pardon," said the mild youth. ment. The following are noted as ex-

Service from Martinsdale to Benton, 140 miles, three times a week: Present pay, \$5,280; pay after July,

Bozeman to Miles City, 330 miles,

Present pay, \$19,000; tuture pay,

\$2,700. Two former contracts let to Huntly, \$12,000 and \$20,000. Helena to Benton, 140 miles daily: Present pay, \$8,000; future pay,

Helena to W. S. Springs: Present pay, \$4,600; future pay, \$2,300.

Running through the entire list of lettings for the Territory, we find that the pay on the whole number of routes amount per sum of the usners, "out of that."

It's not my taul; it's routes amount per annu m to no mo e
than is now paid on the one route
from Bozeman to Tongu rivac. Our
people seem to have the cost ract

Hop Bitters, which are advertised in our columns, are a sure core for ague, billiousness and kidney complaints. Those who use them say they cannot be too highly recom-mended. Those afflicted should give

New York, March 7 - [Special.] The Rev. Samuel D. Himman's suit against William H. Hare, Protestant veying oil by pipe lines from one point | Episcoal missionary bishop of Niobrara to another has inspired some ingen- in Dakota and Nebraska, \$25,000 ious and energetic minds to the study of the problem of the transportation of grain from the prairies of the flourmatter is contained in a pamphlet is sued by Bishop Hare, charging that Mr. Hinman, while missionary among the Sioux Indians, had been at vari-ous times intoxicated, and had been guilty of criminal relations with vari-

Mr. A. K. Williams of Minneapolis, the defendant believed them to be Minn, the inventor, expects to obtain true. The plaintiff and defendant sat from the use of machinery, which he is ordering at Titusville, in this state, a current of air moving at the rate of from 75 to 100 miles an hour. It is bronzed face, dark hair and eyes, and from 75 to 100 miles an hour. It is hardly time to explain the invention (as it is not complete), except to say that it is a combination of well known principles of pheematics and mechanical philosophy. The exhaustion of air in the receiver creates a current through the pipe which communicates with the open bin of grain, carrying the grain in suspension through the centre of the pipe, the compressed air centre of the pipe, the compressed air translated the prayer-book into the pipe. the grain in suspension through the centre of the pipe, the compressed air forming a cushion around the outside.

There is no attrition of the kernels, enmity of Indian traders by his devoeach grain being impelled in its indi-viduality, like chaff before the Ten years after his labors began, he and Bishop Hare were candidates for It may occur to the scientific mind the new missionary bishobric of Niothat the resistance of the air may have brara, and by a majority of two votes stood that the experiment has been nearly running two parishes had bemade for a distance of 500 feet, and come an assistant minister in Philaproved an entire success. The next delphia. He had not been six months test will be a full mile. Mr. Williams in the country when he first accused

years later he renewed charges of immorality against Mr. Hinman, and March 25, 1878, dismissed him. Mr. Hinman appealed to the ecclesiastical courts, and the trial has been continued

until this time. Mr. Fiske read extracts from Bishop Hare's pamphlet, which was privately printed, marked "Private," and sent to the members of the missionary board. One charge was a statement that the house mothof the missionary board. One charge was a statement that the house moth or of an Indian school had complained that Mr. Hinman, while visiting her school had scandalized her older girls school had scandalized her older girls that Mr. Hinman, while visiting her school had scandalized her older girls

He was a seafaring man, and he pushed his way past the people to one of the best seats in the parquet, regardless of tender toes and stary hat. He plumped himself down next to a very weak, blond young gentleman, who nervously pulled away his overcoat and felt around for his beaver under the seats to see if it was still in tell you, "m. Fiske and that what she is allor.

"It's all right, shipmate," said the sailor.

"It's all right, "What's the show, anyhow?"
"Sir, I'm not acquainted with you, and—"
"Course yer not, but I don't object ter making a friend o' ye for the evening," said the sailor, slapping the weak youth vigorously on the leg, and expectorating dangerously near his ment has stories were again afloat reflecting upon Mr. Hinman must be, to say the least, a very imprudent man."
But Bishop Whipple will testify that Hare said to him, instead, and further complained to him of the non-payer when the said to him of the non-payer when the said to him of the non-payer which is the show, anyhow?"

"Course yer not, but I don't object term making a friend o' ye for the evening."

"Course yer not, but I don't object term making a friend o' ye for the evening."

"But Bishop Whipple remarked to me that stories were again afloat reflecting upon Mr. Hinman must be, to say the least, a very imprudent man."

But Bishop Whipple remarked to me that stories were again afloat reflecting upon Mr. Hinman's character and that Mr. Hinman must be, to say the least, a very imprudent man."

sailor, poking his limbs out under the seat in front of him and taking a fresh chew of tobacco, "call me Ise, lad; husband. She has since married.
