CHICAGO MONEY.

CHICAGO, March 23.

There was a sharp movement in governments; 4's and 4½'s advancing ¼ per cent., 4's touching the highest point ever reached. The general market was irregular, with slightly higher prices. Trading in railroad bonds was brisk, in municipal securities investors demand higher rates of interest and Kansas and Nebraska bonds are more freely taken.

Money is comparatively easy. The demand for money is active, the current rate being from 5@7 per cent. on demand loans and from 6@8 per cent. on time; loans according to the character of the collateral and standing of the party.

Foreign exchange stronger and more freely offered.

Orders for currency were larger.

The clearings of the associated banks were $5,590,000
