Arthur's Scheme to Secure a Nomination.

Cornell to be Exiled and Robertson to Run for Governor.

The Butchers of New York and the High Prices Asked for Meats.

Other Matters of Note in the Empire City.

New York Letter to the Philadelphia Record.

There are whispers in political circles that a peace has been patched up between the stalwarts and half-breeds, the objective point of which is the nomination of President Arthur for a second term.

are much inferior to the mealy potatoes grown in the west. It is a curious fact that these potatoes have been shipped to the garden spot of this country.

The musical event of the year is to be the seven performances of the music festival next week in the Seventh regiment armory, with its seventeen soloists of high repute, its orchestra of 300 instruments, and its chorus of 3,200 voices.

The stage for the chorus and orchestra will be almost a city block long and nearly 100 feet deep. The seats for the singers will be amphitheatrically arranged, and will rise to a height of 38 feet.

The orchestra includes 50 first violins, 50 second violins, 36 violas, 36 violoncellos and 40 double basses, 6 cornets, 8 clarinets, 8 horns, 6 bassoons, 6 harps, 6 flutes and 6 oboes.

even added the ludicrous to it. Here was an opinionated, pighead pig making a prodigious fuss about having his hind leg taken hold of, and lo! before he had even made up his mind whether to squeal or only to squeak he was hanging up in an ice house, split in two.

That the whole process is virtually painless is beyond all doubt, for it is only for the first fraction of the thirty-five seconds that the pig is sentient, and I doubt if even electricity could as suddenly and painlessly extinguish life as the lightning of that unerring poniard, "the dagger of mercy," and the immediate plunge into the scalding bath.

Prices of Short-Horns.

The public has been informed many times during the past few years that "the bottom has fallen out of the short-horn business," and that hereafter animals of this breed will sell at low prices.

An Iowa farmer has come to the conclusion that the treatment generally recommended for timothy is all wrong and contrary to that practiced on all other kinds of vegetation.

NEWS NOTES.

Archbishop McCloskey's new residence, back of the cathedral and facing Madison avenue, is an architectural ornament to the city.

Early on Saturday evening I strolled down to Washington market, and was surprised to find the butchers' stalls all closed.

James Gordon Bennett's new steam yacht is almost completed. Seen upon the water, it looks like an ocean steamer; its lines are extremely graceful, and with its luxurious appointments it will turn the perils of life on the ocean wave into a pleasure.

In connection with legislative attacks upon Judge Westbrook, it is significant that The Hour makes a severe criticism upon Judge Donahue in a "Letter to a Judge" in one of its series of "Letters to Imaginary Persons."

A Pig Turned Into Pork (in Thirty-six Hours).

Chicago Correspondence New York World. Of course I went to see the stockyards, but my visit had something of a special character, for I saw a pig put through its performance in thirty-five seconds.

That two-handed engine at the door stands ready to smile once and smile no more—and the dead pig shot across the trough and through another doorway, and then there was a splash as he went headfirst into a vat of boiling water.

There are few more brilliant preachers in the city than the Washington market butcher, and none in his denomination to cut rank him.

POTATO SUPPLY FROM SCOTLAND.

The importation of potatoes from Scotland has been discontinued.
