shown with groundworks of olive, claret, moss green, merine blue, and golden brown, with handsomely executed designs of birds and flowers printed in natural colors upon their surface.

A Chicago girl had a will of her own.

"Remember," she once said to her mother, haughtily, "that I have the only bustle in this house that is fit to wear." 'Yes," said her mother, "and I can yank it off and sand you to bed so quick that it will make your head swim."

The young women of Nevada City, Cal., amuse the town while amusing themselves. Twenty-four of them have formed a com-pany in mockery of the young men's mili-tary organization, and parade in a uni-form of red calico, with brooms for guns. Cheir last parade was to escort a bride to

the railroad station.

woolens, soft and plain, or beautiful fine materials with a plain ground, striped with cardinal, moss green, old gold, or terra-cotta threads, hardly distinguishable from the ground work, or mixed with tiny flecks of color half lost in the thickness of the

Lawns and dotted muslins are made with many narrow, gathered flounces around the skirt, and above this a shirred Mother Hubbard basque, or a pointed waist, with full paniers attached to the side. Over this pointed waist is placed a Marie Antoniette fichu, edge i with lace, crossed over the besom and fastened with side. a wide bow and ends of watered ribton matching the shade of the dress.

Moribund husband (to esthetic wife)-"Well, Jennie, the doctor says I must soon leave you. Do not grieve; I have provided handsomely for you in my will. You will keep my memory green, won't you, my lovo?" Esthetic wife (sobbing)you, my lovo?" Esthetic wife (sobbing)—
"Dearest, I will; and I will see that your grave is kept green also," reflectively. "but none of those norrid bright colors. A nice olive-gray green, with an old gold tombstone, will look too awfully k vely for any-

They were taking their first spring roam in the field. The yielding turf, though hardly shaded with green, welcomed their slow footsteps, and an occasional bit of substitute athin blue sky smiled through the gray clouds them. "How beautiful out-door life is to be sure. See, Eugene, there are two birds The Boston see be sure. See, Eugene, there are two birds busily engaged in getting material for their nests. Don't you think—don't you think—on't you see? The birds build their nests without bills to pay, and—""But they use their bills, Eugene, Why can't you use your bills—bank bills?" "Because, my dear, I haven't got 'em." This seemed to be the question, and after a little presentation of bills in the old familiar way as the two sat on the big gray rock beneath the oak, the matinee adjourned, without date. New Hore are two birds build their nests without bills. Eugene, at suitable intervals.

In the Boston society 'of national history will open a seaside labratory for a limited number of women students at Annisquam, Mass., on July 1, the term to end September 1. A windmill will supply running water so that living animals may be studied and a yacht will take out dredging parties at suitable intervals.

A public discussion on music in the pub ic schools was held in Pittsburg last week between Superintendent Luckey and a lively antagonist, Dr. Wood. The little of those wonderful Electric Different for the purpose. "Price 50 cents, trial bottles 10 cents. mid-dum mi beneath the oak, the matines adjour, without date,—New Haven Register.

### RELIGIOUS.

The church of England has 507 churches in Lond n, 476 of which have surpliced choirs. Ritualism is increasing. One family has worshipped in the "old meeting house" at Hingham, Mass., for

ten generations, and probably used the same pew from the start. The Methodists of the Carolinians are arranging to establish a summer resort, modeled on that of Chatauqua, at Hen-

The sixtisth angual Georgia State Baptist Convention met on April 20 at Ameri-Serenta and Georgia association meetings in 18 0, when the idea of State convention was broadled. There are thirty-ix asso-ciations belonging to it, and 1.1.4 or sined ministers and I cen dates under its juris-

A meeting house is to be built in Phila-delphia by same Friends on ground which has an interesting history. It forms part of what is known as the Fair still property and is situated on termantown average, near Candria street. In 1798 four acres were purchased for eight dollars, current money of Pennsyl anis, by the "Morthly Meeting of Philadelphia," for the oensit, se and believe of the poor people of the aid Quakers belonging to ye and meeting use and on for ye use and service of the pole, and for a place to tury their Fair Bill Mee ing House was ested on this, and was attended by the orris, Logan and other prominent familes of that day. Ground adjoining this tract was left by the will of George Fox to Friends partly for a "close to put Friends horses into when they come from afar to the meeting, that they may not be lot in the woods, and other ground "for a meeting house and school house and a borying place and for a playground for the children of the town to play on, and for a garden to plant with physical plants, for lads and lesses to know simples and searn to make oils and ointments."
