Proclamation by the Governor Convening the Legislature.

WHEREAS, The constitution of the state of Nebraska provides that the governor may, on extraordinary occasions, convene the legislature by proclamation; and WHEREAS, Important public interest of an extraordinary character requires the

an extraordinary character requires the exercise of this authority: Therefore, I, Albinus Nance, governor of the state of Nebraska, do hrreby con-vene the legislature of said state to meet in special session at the capitol in Lincoln on Wednesday the 10th of May, 1882, at 12 o'clock m, of said day for the purposes herein stated as follows, to wit: First. To apportion the state into three congressional districts and to provide for the election of representatives therein. See nd. To amend an act as proved March 1st, 1881, entitled "An act to in-corporate cities of the first class and regu-lation of their duties, powers and govern-ment," by conferring additional power upon cities of the first class for the pur-pose of paving or macadamizing streets and alleysand also providing for the crea-tion and appointment of a board of public works therein.

works therein. Third. To assign the county of Custer to some judicial district in the state, Fourth. To amend section 69, chapter 14, of the compiled statutes of Nebraska entitled "Cities of the second class and

villages." Fifth. To provide for the expenses in-

> Street Conversations With Prominent Omaha Land Leaguers.

SECRETARY SLAYERS.

The universal sentiment of horror and execration at the crime committed in Phoepix Park Saturday night as it met a gentleman who described in comes to us over the wires finds its glowing words a magnificent sheep ranch he had in eastern Colorado of echo on all sides in Omaha. There is but one opinion among Irishmen as well as among all other classes of citizens, and this may be judged of from the following brief interviews picked up by THE BEE reporter in a causual conversation on his regular round last

P. M. MCDONAGH. THE BEE reporter first met Mr. boast of her sublime scenery and rich Donagh, returning from Plattsmouth, mines, and then can stop. Again, I find all through the west that the catand interviewed him as to his opinion of the recent assassination. Mr. Mctle business has reached its limit, and

Donagh said: "Well to begin at the begining, is going back. The cry is now that beef is high, and it will be higher. there must be a cause for the assassin-The severe winter of 1881 was terriation. If any one can show me that the Land League or Fenians had any cause for it I would like to hear their

loss; 50 per cent would be nearer. The cattle kings are this spring buy-ing up the reduced herds, the ranches are being narrowed by the invasion of actual settlers, and the cattle business of the great west must grow less and loss. I claim it was done by some mal-content of the Forster ad-ministration, who was mad at Lord Cavandish, getting the office. Or it must be that the government upon reconsideration thought that they were giving too much liberty to the Irish. less. It is a fact that the great giving too much liberty to the Irish, ranches have not the capacity they and therefree desired some excuse to formerly had, and the settlers are retract, and the deed was committed making such inroads that this g.eat by government agents in order to furindustry must grow smaller, and so the great industry will be nish some excuse of retraction. "How do you think it will effect

thrown more heavily upon Nebraska. The season of cheap meats is over, the cause of Ireland?" "Well, until the affair is thoroughly and it will now pay to raise cattle. Another thing is to be taken into acinvestigated, it will retard measures. This is just about the same as the asassination of Lincoln. He was going count, and that is this: Fine cattle of high grade are worth more in two to settle the difficulties in the south, years than the wild cattle starved in but Booth killed him, and it retarded winter are in four years. Already the the settlement of the southern ques leading cities of Colorado are shipping tion for about twelve years."

"The land leaguers got everything they wanted—the suspects were lib-orated, Foster was kicked out, everythis beef from the east Permit me to give Nebraska farmers a word of caution: Don't break up all your lands; there never has yet been in thing conciliatory was being tried, and a representative of these conciliavented a finer surer crop of hay and grass than the native of the soil. tory measures was sent over in the You have magnificent pastures and meadows already sown, and they will improve instead of going back, and a top dressing will add much to their value. so we may say that Nebraska must be a great dairy and meat producing state, and standing here in the gate.

a great dairy and meat producing state, and standing here in the gate-way of the mountains; in the midst of nals.
