-The Trinity Guild entertainment comes off on the evening of the 16th, Tuesday next, and will be one of great enjoyment to all who witness it, and partake of the delicious strawberries and cream to be served during the evening. It will consist of a concert by the Ninth infantry band, broom drill given by sixteen young ladies, who have been drilled by Lieut, Foote, of Fort Omaha, vocal solos by a number of Pacific special No. twelve, for Milthe Guild, and also music by a double quartette, all of which is under the direction of Miss Walker of Trinity choir. The entertainment takes place at Masonic hall.

-The practice of dumping passengers out of the street cars in North Omaha, at night, two or three blocks short of the turn table, because the drivers were afraid to go further has been discontinued. Workmen are now laying double track from the street railway barns on Twentyfirst street to the turn on Twenty-fourth, which is to be completed this week. This is to facilitate the new order of things. Captain Marsh says that when he com pletes his present plans he will have put the Omaha street railway under the best and most convenient system of regulations of any similar lines in the west.

-Charles W. Caldwell, from Buens Vista, Col., jumped from the east bound express train near Fremont, Tuesday afternoon and received injuries so severe that he has been unconscious ever since. He was picked up, brought to Omaha and taken to the company's hospital on Harney street, where he still lies in an insen-sible condition, and doubts are entertained as to his recovery. It is thought that he was laboring undering an attack of temporary insanity when he made his flying lesp from the train. He was ticketed to uncil Bluffs.
