Carlton, E. Graham, Peter C. Johnson, D. L. Johnston. -Charles Wadsworth and James Fitz were yesterday arrested by Chief Field for being drunk and annoying residents on Miller street. They forced their way into kitchens, begged impudently for food, and made themselves obnoxious in many ways. They evidently were not as hungry as they pretended, for on being given a tempting lunch at Mr. Ford's residence, they tossed it away soon after leaving the house. -The complaint against Herbert Van de Bogert, charging him with reckless shooting, was heard yesterday morning. It appeared that last Sunday morning Van de Bogert shot his revolver at a neighbor's cat in revenge for the feline stealing his chickens. The owner of the cat therefore entered complaint for his violating the ordinance. The evidence showed that he stood at his own door, and the bullet did not pass beyond his own premises, the only offense, if any, being that he did not hit the cat. He was accordingly discharged. -Refrigerators, Ice Chests, Water Coolers, Filters, and Ice Cream Freezers, at Maurer & Craig's.

FLEET FLYERS.

A Good Track and Some Very Fine Races.

An Exciting Contest in the 2:36 Trotting Race, which was Won by Lady Kern.

An Unfinished Pacing Race to be Completed To-day.

The track, which was very heavy the opening day, was in very much better condition yesterday. The officers of the association had put teams and harrows to work on it, and the briek wind and the sun dried up the mud and left it a little rough at first, but the clouds were broken up and left the course in first class condition. The Juvenile band opened the day's programme with some excellent music, after which the 2:36 trotting race was called. The entries in this race were Ironclad, by Y. Q. Perris, Wisner, Neb.; Lady Kern, by Wade Carey, St. Joseph; Georgie, by G. A. Hatton, Saline, Kas.; Duster, by Porter, York, Neb.; Napper and Ironclad drawn. The horses were sent off for the first heat with a good start, with Georgie in the lead. Lady Kern second, and Duster third. These positions were unchanged until the three-quarter pole was reached, when Lady Kern came forward, and a very exciting contest took place all the way down the home stretch between Georgie and Lady Kern, which ended in a dead heat between these two horses, with Duster a considerable distance in the rear. Time, 2:36 1/2.

The horses were sent off in good shape at the first trial, and Big Sam took the lead and kept it without any trouble to the finish. Vasco second, Lone Jack third. Time 2:32 1/2. In the second heat Vasco took the lead but was passed by Lone Jack, who was a long distance ahead of both the others but broke and lost his ground, fell back to third place and the horses reached the wire, Vasco first, Big Sam second, Lone Jack third. Time 2:34. At the close of this heat claims were made that the driver was pulling Lone Jack, and the driver was dismounted and Charles Wilson put on the sulky. When the horses were brought on the track for the third heat it was discovered that Lone Jack was minus a shoe and the race was delayed until one could be put on. When the horses were started Lone Jack immediately took the lead and kept it to the wire and finished three lengths ahead of Vasco, Big Sam distanced. Time 2:32. Lone Jack, who had broke badly in the two previous heats, didn't skip a step and when he came under the wire ahead of the driver, Chas. Wilson, was enthusiastically cheered. The horses started off in good shape and Lone Jack took the lead and kept it until after he passed the half mile, when he broke and fell behind and was unable to regain the lead, and Vasco won the heat in 2:36 1/2. Chas. Wilson, the driver, reported a dog ran out of the rye and broke the horse all up. The men who are backing Lone Jack, and who claim that the driver was attempting to sell the race, claim that this is only another chapter of the scheme to beat the horse, and there seems to be some reason in the belief. The other heat in the race was postponed on account of darkness until this afternoon. Below is the summary of the race: Vasco, 1 2 1; Lone Jack, 3 3 1 2; Big Sam, 1 2 3 1 2.

TRACK BRIEVITIES.

G. S. Battey, of the Chicago Horseman, is in attendance at the races, looking after the interests of his paper. In the 2:36 trotting race yesterday Lady Kern sold a strong favorite in the pool. Longstride was the favorite with pool buyers for the mile and a half novelty race. The briek wind and bright sunshine dried off the track rapidly yesterday morning, and by the time the races were called it was in good condition. The judges for yesterday were Col. D. B. Daly, A. B. McKuhn, J. T. Stewart and W. J. Hancock. Napper, the Denver horse, which has been the cause of so much trouble and litigation, was to have gone in the 2:36 trotting race yesterday, but was marked drawn. Master Maloy, who went in the mile and one-half novelty race, was the winner in a similar race at the recent meeting at Rock Island. The representatives of the press are decidedly grateful for the kindly remembrance of J. W. Pereogy, who kept them liberally supplied with some of his best cigars. There was a large representation of Omaha people in attendance upon the races.

BOB MADISON, well-known as a California short distance runner, was on the grounds yesterday, trying to get up a race on a hundred yards distance, but the talk did not come to a head. A race may be arranged to-day, which will bring him out.

RACES! RACES! RACES!

Visitors to the races are invited to visit Mueller's Palace Music Hall, and see the finest store of the kind on the Slope, a Cordial Welcome extended to all.
