the question so clearly and strongly that it is receiving many favorable notices from the press in pifferent parts of the state.

-Emigration is moving east as well as west. Three carloads went through here yesterday bound eastward, many of them Canadians who are bound back on a visit, expecting to return again to the west. Twelve Chinamen passed through here the day before bound for Chicago and points further east.

-The project for a new city hall and market house combined has not died out As soon as the city condemns the property needed for the purpose, citizens stand ready to form a company to put up the building. It is expected that a move will soon be made in the matter, which will start the enterprise into active operation. -The Rescue running team has broken

up, so that it will not enter the races at state tournment at Muscatine. The Bluff City team will therefor represent Council Bluffs, and with their present

make-up and showing of speed in present make-up and showing of speed in practice, will doubtless capture high honors in the contest. It is proposed to show how much the citizens appreciate the presence of such a team, and how cager they are to give it support, in fact as well as in word. A subscription is to be sent the rounds been thus far.
