size in the eastern part of Butler store of county, and it is situated on the Oma-The dector practiced medicine in Philadelphia for a number of years, ha and Republican Valley railroad. ten miles from David City in a southcoming to Nebraska three or four easterly direction, and eighty-aix years ago to settle, and he has attainmiles from Omaha. Five years ago, when the railroad was built, the settlers here were few, and the postoffice near here was Hiawatha. But "the iron horse has climbed the little mountains" and bridged the streams, and every day it is bringing in its

loads of merchandise, the material for new houses, and the implements of in this region, who have been 'on the husbandry, and returning to the homehusbandry, and returning to the home-steader the wealth of his prairie pro-ductions. The smaller settlements east on Oak Creek, has been here sixnorth and south of this have lost their acres of land, good buildings, and activity, for the lines marked by the raises grain and stock. "iron rails" will surely indicate the "iron rails" will surely indicate the John Groves, two and one-half cities of the future. When a railroad miles southeast, has been a "bug station was planted here and town lots eater" for twenty years, and is called surveyed, the settlers clung to the fixed,' having seen the dry seasons, name of Hiawatha, but the company the hailstorms, and the grasshoppers, labeled it Brainard. and still he calls this state, with its rich dark soil, and healthful climate,

THE LOCATION

is a good one, being surrounded with the best of land, which rolls away like ocean waves, and the rich harvests tell of an unknown wealth of fertility. To the north east is a heavy settlement of Bohemians and Germans; westward is a colony of Hollanders, also in body, but the people of this burg the most prosperous circumstances; while to the east and south the land is almost all settled by people of the Yankee type from Wisconsin, Illinois, Iowa and Missouri, who divide their trade between this village and the county seat.

LONE STAR

is the name of a settlement and postcflice a few miles south, where, besides the school house and a strong grove, the principal attraction and business center is the nursery of

J. P. DUNLAP,

who deals extensively in fruit and ornamental trees, small fruits, vines, flowering shrubs, and garden plants, mostly of his own growing; and few housewives in the surrounding villages have not bought vegetables of him during the last twelve years This during the last twelve years. This nursery is on the stage and mail route from David City to Lincoln, and its is the name of the postoflice, while the industrious and genial proprietor, is an anti-monopolist and an oracle at the cross roads. station is Risings, possibly intended to be in the possessive case, and was named for L. W. Rising, one of the

BRAINARD

is just enough remote from other towns to give it a good trade. Good water is found at about 28 feet, there by the best of

noil. The storm of yesterday swept over

this place, destroying the small grain in its track, but all around the crops are looking well; the sufferers are in the minority, although their losa is severe. One of the principal difficulties the town has had to contend with is the tardiness of the railroad company in giving deeds to the purchasers of lots in this village. The ownership of the lines of the Union Pacific, has spot. already obtained an unenviable notoriety, and no doubt there are many who dislike to pay out their money for land where they have little expectation of securing a good deed without litigation, and some of the residents of this burg have paid for their lots years ago and are still hoping they may yet get good deeds and clear humanity, that is when we "see titles before they die and leave their property to the children which are growing up around them on land that selves," but we will give the Inde-pendent the credit of earning its 600 may be swept away from them while circulation, and well worthy of the might makes right, and is the supreme public patronage it so liberally re-law of the land; and he who dares to ceives. protest is at once tramped down as a "fanatic," a "kicker," or a "com. mune." But one favorable sign of the times is the awakening of the people tend his business. The trading houses all over Central Nebraska, as well as and shops are all of the better class, the whole nation, to the fact that the and the people have long been deceived by beautiful "sugar costed politicians," so much inquired after by the traveland they are determined not to deing man, is worthy of notice as another pend upon a fine label any more, important factor in the growth with seeing, as Col. Ingensoll expressed it which time means these young cities at Cleveland on the 30th of May, that on the prairie. "The handling of caucuses has been accepted for patriotism, and party down, during the past year, the way-management has been mistaken for faring man has had to depend on the

statesmanship." THE TWO CHURCHES, Protestapt and Methodist, are at town; but within the past month present, holding service in the fine school house, and the Sunday school is said to be one of the best in the county, and is attended by almost everybody in the place.

FOX & ASHOLD are doing a large business in lumber, grain, live stock and coal, and they expect to build an elevator this sca-

son. They carry a full stock of lumber, and the senior member of the firm, Mr. J. R. Fox, has been a resident of this county fourteen years, He expects to have a stable connected and been identified with its growth with the house, and the boys already and development.

GEO. WIECHMANN table. came here two years ago, from Clayton county, Is., and has put up good buildings, and has the monopoly of we met here was the farm implement business; and although the hail storm will kill a part of his trade this season, he has plenty left, and is popular with the farmera.
