A YANKEE SETTLEMENT

Characteristics of the Busy and Bustling Town of Dunlap.

New Buildings Going Up and People Happy Over Good Crop Prospects.

Review of the Business Men and Interests of the Town

Correspondence of The Bee. DUNLAP, Ia , July 20 -Following Cedar Rapids. along the Boyer vailey and the Northwestern road, forty-seven miles from Council Bluffs, I find myself at the extreme northeast corner of Harrison county, in another growing, struggling, noisy city, that is full of ambition and boiling over with competitive

has passed away. THE LOCATION OF DUNLAP

lage was known as the "Yankee set-

tiement," and was founded by New

s on the eastern side of the river and railroad, on a rolling table land, with its principal business houses thirty or forty feet above the valley, on a beautifully sloping ridge, with numerous buildings along the valley by the track, and residences, groves and church spires filling up the field to the east and covering the knolls and slopes to the southward, with the brick yards beyond the fair grounds in the plains to the south.

THE CROPS just at this season are of the most promising appearance. The whole valley and the gentle slopes and even the upland seem robed in all their full garments of luxuriant growth, ahead. and giving evidences of one of the best prospective harvests, should the weather prophets have mercy on us orward in full strength, the rye is the wheat is already putting on its 'golden colors," with a heavy stand, uil head, large screage, and with only a limited rust in places. THE BUILDING BOOM

up, and mansard roofs are peeping out from among the trees in the resident part of the city. The old Greeks built their houses with barren walls, and closed their interior from the rude gaze of those passing on the streets, leaving the outside as dreary and unsuggestive as possible, while the inside was beautiful and exhibited the higher order of refinement and cultivated taste; and the Roman built as though to endure for ages, but a gentleman must always carry his cane on the streets, or be arrested with a walking stick;" and the busi or dashes down the street as full of life and as enthusiastically as a poadway merchant or a Chicas stock broker. This Yankee life is everywhere seen, even to see ball players and the foot reside, both metropolitan games, such the city promptly backs, financially, and the prolic defeated in the city and the prolic defeated in the city promptly backs, financially, and the prolic defeated in the city promptly backs, financially, and the prolic defeated in the city promptly backs, financially, and the prolic defeated in the city promptly backs, financially, and the prolic defeated in the city promptly backs, financially, and the prolic defeated in the city promptly backs, financially, and the prolic defeated in the city promptly backs, financially as a poad-way merchant or a Chicas stock broker. fends by its presence, and by its liberality thereby presenting certain elements of Yankee enterprise, and the ublic spirit of its citizers.

The public building are also a credit to the piace. The \$15,000 or \$20,000 brick school house, with a slate-covered massard, the four or five churches, (aree of which are brick) are fine buildings, the Cathoic being a lare brick structure with school attaned, and the Methodists being a new brick, and just dedicated, and cless out of debt. The other

SOCIETIES

4rs all popular. The Masonic order are numerous and have a good chapter, and are building a fine hall in the new "Moore Block." The Odd Fellows are a strong society here, have a good encampment, and a fine hall. The G. A. R. have just established a Knights of Pythias and Legion of Honor are well represented. THE DUNLAP REPORTER

s the ovacle and herald to proclaim the public mind and advertise the do age of the day. This paper was born here s me twelve years ago, being introduced to the public by Mr. Brainard; then passed through the hands of Thompson & Ainsworth, Mr. L. F. Cook, now of the Logan News. Two or three years ago Mr. I. Scholfield, the posent publisher and managing editor purchased it, and is building a Main treet, near the depot, where he and at the facilities for a good job ofgood till here, and is still doing a ion asan agricultural journal.

THE BEE s foud in nearly all the business housesn the city, and is appreciated and loded for every day, both at the office atl by the fireside, and none more hartily admire its enterprise

prairies, to wealth and prospertay. Among these firms we notice

MITCHELL AND THOMPSON, just west of the bank. This store was a dozen years, and followed the forstarted here in a tent when the town tunes of trace, having now a large was born, under the firm name of Mitchell & Lamb. For some years the present firm have managed a large and very successful business in general stock of goods and keeping four or five hands at work all the time. W. H. Bush, just across the way, onme here from Das Moinos since the merchandise. They own and occupy beginning of 1882; has about the half the Commercial block, the main sales room being 25x100, with warehouses and basement full, and a cloth. mand just as good trade, and both ing and carpet department on the are busy as they can be. second floor, and claim the largest line of carpets and millinery goods and their carriage factory, are another found between Council Bluffs and business centre in this young city.

M. BARRETT.

on the main corner, is the successor to the old firm of Barrett Bros., who while all around are sheds and ware opened the third store in town. The houses, and the wagons and farm mahouse presents, at sight the spirit of chinery are pilled up in every directhe "nineteenth century." by advertising its business, and the display of look through their shops, warehouses, signs at once attracts attention, when paint-rooms and store rooms, would the sides of such monster two story convince anybody that they are doing energy, although cooled down every brick buildings are made into bolletin something, and not just working for day by the constant rains. Perhaps boards. Among the signs we notice a boards. Among the signs we notice a boards.
