Special Dispatches to THE BEE.

FINANCIAL.

NEW YORK, August 2.

Governments were irregular.

Railroad bonds were fairly active at irregular prices.

State securities were inactive.

The rise in stocks yesterday brought in large out of town orders to buy; the market accordingly opened strong with transactions on a large scale. Subsequently there was a reaction, but toward noon prices begun to move up. The improvement ranged from ½ to 1⅞ per cent, the latter in St. Paul & Omaha, which advanced on large purchases supposed to be for account of the younger Vanderbilts. Northern Pacific, Louisville & Nashville and others were also conspicuous in the upward movement. A special feature of the afternoon board was the advance in Northwestern from 1 38 to 1 40 for common and from 1 53½ to 1 65 for preferred; the rise was accompanied by the report that the executive committee of the company had recommended division of the surplus among stockholders. This surplus is claimed to be something like $18,000,000 of which 60 per cent go to preferred and 40 per cent to common. The rise in Northwestern shares stimulated purchases of other Northwestern properties and the market closed firm. Transactions in St. Paul & Omaha, 34,000 shares, Northwestern, 23,000.

Money—2@3½ per cent, closing at 2 per cent.

Prime Mercantile Paper—5@6 per cent.

Sterling Exchange—Bankers' bills steady at 4 85½; demand, 4 88½.

Produce exports for the weak, $6,909,000.
