FINANCIAL.

NEW YORK, August 3. Governments-The market is upchanged for extended 6's, 44's and 4's registered; & per cent higher for extended 5's, and per cent lower for 4's coupons, Railroad bonds were irregular on a mod

erate volume of business. State recurities were inactive.

The stock market opened It per cent higher than it closed yesterday for St. Paul & Manitoba, 1 per cent higher for Chicago & Alton, and 100 a per cent for the remainder of the list, except for Northwestern, which opened 2 per cent lower and preferred I per cent lower. In mediately after opening Northwestern declined 5 per cent, and the general list 1@2 per cent. The market then began to advance, and by 11:30 prices had risen 5 per cent for Northwestern, 1h per cent for Northwestern preferred, 3 for Milwaukee & St. Paul prefered, 2 for Milwaukee & St. Paul common, 3 for I linois Central, 21 for Rock Island, 14 for Chicago & Alton, 14 for Burlington & Quincy, 11 for St. Paul & Omaha, 1; St. Paul & Omaha preferred, 1 for Union Pacific, 1 for Denver & Rio Grande, and 1@4 per cent for the remainder of the list. About noon there was a decline in prices, followed by a recovery and a rather strong market. Early in the last h ur there was a decline of 1@2 per cent. In the last half hour the whole list became strong. In the last five minutes a small part of the advance was jest. The market at the close was irregular.

There is neither official confirmation por denial of reports concerning a coming stock dividend to shareholders in Northwestern. The Commercial Bulletin remarks there is nothing new respecting the rumored forthcoming stock dividend on Northwestern. Officers of the company, excepting Mr. Keep, know nothing of it. Keep's lips are sealed by Vanderbilt, who with his sons, W. L. Sc .tt, Foster Dewey and a few others, own, it is said, fiveeighths to three-quarters of the stock. The loss of the Lake Shore at South

Bend will probably reach \$.00,000. Transactions to-day were 11,000 shares of Northwestern, 18,000 of St. Paul & Omaha, 8,000 of Chicage, Burlington 8 Quincy, 12,000 of Rock Island.

The report was circulated late in the afternoon that Keene was heavily short on Western Union.
