

CATTLE ON THE HILLS.

The Boeler Brothers' Ranches in New Mexico and Nebraska.

78,000 Beaves Roaming Around Loose in the Southwest.

Chicago Tribune.

At the Grand Pacific there is stopping a veritable cattle-king in the person of Mr. J. H. Boeler, of Carlisle, Pa., who, with his three brothers, J. W., George and James Boeler, and two young men named Lawrence and Parker, of Carlisle, and Charles Woolworth, formerly of the Briggs house, in this city, are proprietors of two of the largest cattle-ranches in the United States.

very considerable size. The summers are very hot, but very healthful. "What kind of grass have you in New Mexico?" "Very good quality. Principally the grama or Spanish grass, which is of the same family as the buffalo, very nutritious, containing starch and sugar and beef producing qualities in large proportions."

"Do you suffer from snowdrifts?" "We have no large snowdrifts. There is nothing to hinder cattle from feeding on the rich grass all winter."

"Do you raise anything in the shape of produce?" "We raise nothing but cattle. The land in the cattle belt lies in an elevation of about 4,000 feet above the level of the sea, and it is not supposed to be an agricultural belt along the Rocky mountains."

"What kind of cattle do you raise?" "Along the Platte river principally Texas cattle. There are a good many half-breds, Durham bulls and Texas cows, on the ranch. South we have a better quality and higher grade of natives. They have been bred to shorthorn bulls, and the natives of Mexico are better to start with than the Texas cattle. They are not so wild and are more domestic."

"Who sell your cattle here?" "Bosworth, Bass & Co. and Adams & Burke sell most of our stock." "What did your cattle bring?" "Our first shipment here brought us \$40 per head net, and the lowest we obtained was \$32 per head net this season."

"Will there be large ranch shipments this year?" "I think that as many cattle will be shipped here this season as there was last from both sections, and the quality will be much better."

"Why?" "Because of the early spring, good grass, and good season. The calf crop will be greater than it has been for a number of years, and hence the prospects are better for a good supply of beef, if the winter doesn't kill the cattle."

being in Indiana than it was a few weeks ago. In the Southern part of the State there will be a fair average, and elsewhere the plant is doing well. Corn is looking well in Southern Illinois, and with favorable weather there will be an average crop. According to Secretary Chamberlain, of the Ohio Board of Agriculture, the wheat crop of this State will be in excess of 30,000,000 bushels. The corn crop, he says, is only equal to sixty per cent. of a full crop, but oats, hay, and potatoes are above the usual average.

Bueker's Arnica Salvo. The Best Salvo in the world for Cuts, Bruises, Sprains, Ulcers, Salt Rheum, Fever Sores, Tetter, Chapped Hands, Chilblains, Corns, and all skin eruptions, positively cures piles. It is guaranteed to cure all the above named diseases. Price, 25 cents per box. For sale by C. F. Goodman.

Visiting Maud S. By far the sweetest, prettiest thing here is Maud S. The other morning I went down to Vanderbilt's private stable just back of Congress hall to see this beautiful creature that can clip its faster than an express train on a down grade. The head groom, after surveying me, concluded that I was a harmless atom, and invited me in. "Do you know her?" "Oh, yes," he answered good naturedly, "lots of 'em come in here and they all want to see her. He led the way to her stall, which was about ten feet square and as dainty as a lady's boudoir, and there, with a light horse cover to keep the flies off her, was the great mare. She seemed delighted to have company, and like all other well-bred creatures, was good natured and affable and devoid of airs. Her coat was softer than satin, and she has the most earnest and intelligent eye ever seen in an animal's head. She sniffed around complacently and rubbed her slender nose against me as if we had been old acquaintances; in three minutes we had established intimate relations. The groom took off her cover and turned her around to show her off to my inexperienced eyes, when her hind legs coming a little too close to me, I made a bolt for the door of the stall. "Come back," said he, laughing, "she never did an ill-natured thing in her life. She would no more think of kicking or biting you than you would think of striking her. She is so kind and well disposed you'd think she was human."

"I and I suspect that the groom did have a half hearted that she was human. He was evidently delighted to have an appreciative listener, and was ready enough to talk about the Queen of the Turf. Mr. Vanderbilt is not driving her at all now. She is in training for the fall races, and every morning at 10 o'clock her trainer takes her out for a spin down the road. Mr. Vanderbilt is not half so proud of her as the stable man, and she is indeed a creature so gentle, so lovable, and so altogether the ideal horse, that anything could love her."

Liver, Kidney and Bright's Disease. A medicine that destroys the germ or cause of Bright's Disease, Dropsy, Kidney and Liver Complaints, and has power to root them out of the system, is above all price. Such a medicine is Hop Bitters, and positive proof of this can be found by one trial, or by asking your neighbors, who have been cured by it.

PLAIN TRUTHS The blood is the foundation of life, it circulates through every part of the body, and unless it is pure and rich, good health is impossible. If disease has entered the system the only sure and quick way to drive it out is to purify and enrich the blood. These simple facts are well known, and the highest medical authorities agree that nothing but iron will restore the blood to its natural condition; and also that the iron preparations hitherto made blacken the teeth, cause headache, and are otherwise injurious. Brown's Iron Bitters will thoroughly and quickly assimilate with the blood, purifying and strengthening it, and thus drive disease from any part of the system, and it will not blacken the teeth, cause headache or constipation, and is positively not injurious.

Saved his Child. 17 N. E. St., Baltimore, Md. Feb. 17, 1880. Cents--Upon the recommendation of a friend I used Hop Bitters as a tonic and restorative for my child, and was thoroughly convinced was wasting away with Consumption. Having lost three children by this terrible disease, under the care of eminent physicians, I was laid to rest, and I thought I would try Hop Bitters, as I had taken one bottle of Brown's Iron Bitters, she began to mend and now is a healthy and robust child. A fifth daughter began to show signs of Consumption, and when the physician was consulted he quickly said "Tonics were required, and when informed that the older sister was taking Brown's Iron Bitters, responded "that is a good tonic, and will save her."

Brown's Iron Bitters effectually cures Dyspepsia, Indigestion and Weakness, and renders the greatest relief and benefit to persons suffering from such wasting diseases as Consumption, Kidney Complaints, etc.

THE KENDALL PLAITING MACHINE AND DRESS-MAKERS' COMPANION. It plates and coils of a inch to width in the coarsest fiber or finest in use. It does all kinds of styles of plaiting in one. BURROCK'S BLOOD BITTERS. A safe and reliable medicine for the cure of all diseases of the urinary system, including gonorrhea, stricture, and all other ailments of the bladder and kidneys. It is sold by all druggists and is guaranteed to cure all cases.

Mr. J. G. Robinson, Pittsburg, Pa., writes: "I was suffering from general debility, want of appetite, constipation, etc., so that life was a burden after using Burrock's Blood Bitters for that for years. I cannot praise your Bitters too much."

Mr. Gibb, Buffalo, N. Y., writes: "Your Burrock's Blood Bitters, in chronic diseases of the blood, liver and kidneys, has been a signal marked with success. I have used them myself with best results, for torpidity of the liver, and in case of a friend of mine suffering from dropsy, the effect was marvelous."

Bruce Turner, Rochester, N. Y., writes: "I have been subject to serious disorder of the kidneys, and used to attend to business Burrock's Blood Bitters relieved me before half a bottle was used. I feel confident that they will entirely cure me."

Asenath Hall, Binghamton, N. Y., writes: "I suffered with a dull pain through my left lung and shoulder. Lost my appetite, and color, and could with difficulty keep up all day. Took your Burrock's Blood Bitters as directed, and have felt no pain since first week after using them."

Mr. Noah Bates, Elmira, N. Y., writes: "About four years ago I had an attack of bilious fever, and never fully recovered. My digestion organs were weakened, and I would be completely prostrated for days. After using two bottles of your Burrock's Blood Bitters the improvement was so visible that I was astonished. I can now, though 51 years of age, do a fair and reasonable day's work."

C. Blacket Robinson, proprietor of The Canada Presbyterian, Toronto, Ont., writes: "For years I suffered greatly from bilious headache. I used your Burrock's Blood Bitters with happiest results, and I now find myself in better health than for years past."

Mrs. Wallace, Buffalo, N. Y., writes: "I have used Burrock's Blood Bitters for nervous and bilious headaches, and can recommend it to anyone requiring a cure for biliousness."

Mrs. Ira Mullelland, Albany, N. Y., writes: "For several years I have suffered from recurring bilious headaches, dizziness, and general malaise peculiar to my sex. Since using your Burrock's Blood Bitters I am entirely relieved."
