WAR DEPARTMENT, U. S. SIGNAL SERVICE, OMAHA, Aug. 18, 1888, 11:45 p. m.

LOCAL BREVITIES.

The American Woman Suffrage Association will hold its thirteenth annual meeting in Omaha, in the Baptist church, September 12th and 13th, 1888. It will begin its session on Tuesday evening, September 12, at 7:30 p. m. Auxiliary state and local societies may send delegates equal in number to the congressional delegations of their states or territories.

The medical fraternity was represented at Mills' Christmas examination yesterday by Drs. Neville, Greenman, Dinsmore, Moore, Hyde, Gertzman, Dinsmore, Parker, Phillips, Stone, Hertzman, Frierson, Rankin and Peabody. There was but one expression and that was that Mills' Christmas was a most remarkable character. Dr. Grossman and Dr. Hertzman conferred with him at one and the same time, the former in German and the latter in French, and pronounced her a good scholar in each of those languages. This is one of the wonders about whose "overshadowing" nature there is no fraud at all.

A meeting of the committee on the banquet to be extended to General Crook was held at the Millard hotel Thursday afternoon. The committee was enlarged and is now composed of the following persons: Era Millard, E. Wakeley, Gen. Manderson, Geo. L. Miller, Thomas L. Kimball, Guy C. Barton, Herman Knuteson, James E. Boyd, John L. Webster, Casper E. Yost, A. L. Strang, A. J. Hancock, Frank Murphy, Samuel Burns, H. W. Yates. Sub-committees were appointed to take charge of the details for the banquet, and everything promises an elegant entertainment.

Mrs. F. C. and Miss Church, desist return thanks for the kind expressions of sympathy shown them by their many friends during their recent bereavement. There was considerable excitement yesterday at the corner of Sixteenth and Dodge, when the circus procession was passing by. A farmer's team, freighted with one of the bands, took to the sidewalk and broke into a dead run to the great danger of a multitude of women and children massed in that vicinity. Fortunately they were caught and held by a score of strong hands from causing a general stampede.

The board of trade of Denver is making arrangements for a special excursion to that city next week. On the 25th there will be a grand barbecue there, and the board is issuing invitations to a limited number of the leading business men of the cities of Lincoln, Kansas City, Omaha, Topeka, Leavenworth, St. Joseph and Atchison, and will arrange for their transportation.

A slick rascal stole a case of surgical instruments from Dr. Peabody and sold them to Dr. Darrow Thursday. The latter discovered the name of the real owner on the case and returned the property. Dr. Peabody cheerfully returning the purchase money to recover his instruments. We hope as many as possible of the members of the St. George society and their families will respond to the cordial invitation given by the Burns club to join their picnic at Hanson park today, the 19th. M. H. Carleton, president.

The regular monthly meeting of the Omaha fire department has been postponed to 3 p. m. of Sunday next, on account of the circus. The matter of arrangement for the forthcoming annual parade and ball will be considered at that date.

The Bee reporter acknowledges the receipt of a cordial invitation to attend the fifteenth annual exhibition of the Mills County Agricultural society, which will be held at Glenwood, Ia., Sept. 5th, 6th and 7th. In compliance with the provisions of paragraph 12, special orders No. 126, current series, adjutant general's office, Capt. Bernard G. Semig, assistant surgeon, is relieved from duty in this department.

noon at 4 o'clock, at the Council Bluffs grounds. The Union Pacific-Wabaco game this afternoon will draw a large crowd. There will be about 500 Wabacoists present to brace up their club.

C. J. Canan is waging war with Frank Range in the manufacture of U. P. uniform suits and the railroad boys will be the gainers.

A hand-satchel, containing a pair of \$12 gold spectacles and \$32 in coin, was stolen from a lady while at supper in the Millard hotel Thursday evening.

The members of St. Philip's Guild will give a grand musical and literary entertainment at Standard Hall, Aug. 22nd.

Judge Lippencott yesterday received a telegram announcing the death of his father, in Bucks county, Pennsylvania, at the advanced age of 83 years. He had not seen his father for the past four years.

Mr. Bees, a young Englishman who has superintended the work for MacLiche and Nichol, the big waterworks contractors in Chicago, for some time, is in Omaha for the purpose of taking charge of the completion of the reservoirs for the Omaha Water Co.

The Bee acknowledges the receipt of a fine sack of apples from our well known citizen, Mr. Thomas Murray, who sends the intimation that Nebraska is not a good state for raising fruit. Tom's trees have been out for five years, and the fruit would do credit to any eastern orchard. He will make a fine exhibit at the State Fair.

It is reported for the delectation of the people who drink cranic lemonade yesterday that the water used was drawn from the North Omaha Creek, at the bridge. A more outrageous and filthy mess could hardly be found, and the stuff ought all to have been confiscated by the authorities. Water drawn from the drainings of a cess pool would have been just as pure.

The members of George A. Custer post No. 7, G. A. R., have made great preparations for the picnic at Hascall's park tomorrow, and it promises to be a most delightful affair. Abe Lincoln post, of Council Bluffs, will send over a large delegation, and there will be an immense attendance from this city. Transportation will be furnished from all the leading hotels and from the depot to the grounds.

The most elaborate preparations have been made for setting up a good dinner, and meals will be served from 12 to 3 and from 4 to 7 p. m. Two bands of music will be in attendance, and a royal grand time may be anticipated by all.

The growth of the G. A. R. in this state continues at an unprecedented rate. Since the election of the new national commander eleven new posts have been mustered in by the adjutant general of the state, Col. B. P. Cook, who was in the city last evening to sit in organizing the new post here, which is No. 110. Col. Cook came in from David City yesterday afternoon, and the fact that he organized a new post at North Bend on Monday, Springfield on Tuesday, Norfolk on Wednesday, and so on, shows that his office is no insecure. He reports the order in a flourishing condition all over the state.

Short Breath. O. Bortle, Manchester, N. Y., was troubled with asthma for eleven years. Had been obliged to sit up sometimes ten or twelve nights in succession. Found immediate relief from THOMAS' ELECTRIC OIL, and is now entirely cured. 134-17

MATED FOR LIFE. The Shropshire-Crowe Nuptials Thursday Evening.

Married--At the residence of the bride on Twentieth street, Thursday, August 17th, 1888, at 3 p. m., by Rev. J. W. Ingram, Mr. J. S. Shropshire and Mrs. Cordelia Crowe.

Although the wedding was a very quiet affair, several valuable presents were made, among which were the following: A handsome silver tea set of seven pieces presented by the employees of the freight auditor's office of the U. P. railway; a beautiful set china, consisting of one hundred and twenty pieces, from the brother of the bride; a very fine steel engraving with frame, presented by Mrs. Booth; Majolica bread plate and butter dishes, by Miss Julia Lemore, of Columbus, Mo.; nine dozen hand-painted china plates and butter dishes, by Mrs. Ed. Bellows and little daughter.

Among the many tokens of cordial friendship none were more highly appreciated than a handsome bouquet of flowers, gathered and arranged by the Misses Nellie Towns, Maggie and Birdie Richards and Master Jesse Richards.

The bride and groom started at once for an extensive trip through the east, carrying with them the best wishes of hosts of admiring friends.

A Genera Stampede. Never was such a rush made for any drug store as is now at C. F. Goodman's, for Dr. King's New Discovery for Consumption, Coughs and Colds. All persons afflicted with Asthma, Bronchitis, Hoarseness, Severe Coughs, or any affection of the Throat and Lungs can get a Trial Bottle of this great remedy free, by sending at above named, Drug Store.

A BAND OF FORGERS. A Sensational Story of an Omaha Organization.

Omaha has been cursed with a good many evils but the following if true throws light on one not yet much known in the community. The gang, if it exists at all, is no doubt connected with the confidence operators who have reaped such a harvest of late. A special dispatch from Sioux City, to THE BEE, dated Aug. 18th says: "A man named R. C. Wheeler was arrested yesterday at Cherokee and sent to our jail for safe keeping, for attempting, yesterday, to pass a forged check for \$50 on the Bank of Corbin, N. Y., purporting to be issued by the Hardin County Bank of Eldora. He says he bought \$25 worth of blanks on various banks from a party in Omaha, who keep a large number of blanks on banks throughout the country. He says about the 1st of August there was a regular organized band of bank forgers at Omaha, who have started out to operate all over the country."

THE REDSKINS' RACKET.

The Situation at Pine Ridge Agency a serious One.

Thursday's news was still the topic of conversation at Military headquarters yesterday. Another dispatch was received from Major Sumner Thursday evening duplicating his dispatch of the morning, and showing that the information contained was considered of very grave importance. All details of the situation so far as possible were transmitted to Gen. Crook, who is expected in Omaha on Tuesday. Yesterday Assistant Adjutant General Martin telegraphed to Agent McKillop at Pine Ridge agency, asking him to make a detailed statement of the origin and causes of the trouble and to forward them to headquarters for Gen. Crook's information.

Death Record. Mr. C. P. Swan, of this city, a well-known employe at the U. P. shops, came in from Lincoln on the noon train yesterday with the body of his brother, John Swan, who died at Lincoln Thursday morning at the age of 29 years.

The deceased was formerly a resident of this city, but has been in Lincoln for the past three years. He was a single man and his relatives all reside in this city.

The funeral will take place at 3 p. m. to-morrow (Saturday) from Jacob's undertaking rooms, Internment at Prospect Hill. Friends invited to attend.

POLICE COURT. A Batch of Unimportant Transactions for Friday.

A couple of young women, whose names are found on the warrant to be Minnie Schaffer and Clara Chickering, were arrested Thursday on the complaint of E. G. Pearson, who charges them with breaking into his house and taking goods to the value of \$30. Slaven claims that she has been living in the same house with Pearson and that her refusal to pass as his wife was the cause of the trouble. The two girls say that they took only what was their own, and make Pearson out to be a very hard man to deal with. They claim that he ran a house of prostitution and received from them the amount of their fines each month, which he failed to turn over to the authorities. A warrant was issued for Pearson on the charge of keeping a bawdy house and warrants against the girls for being inmates thereof.

Officer Kasper arrested two men Thursday for fighting in the back yard of Hammond's place. One had, it appears, attempted to ride off on the others horse, when the owner of the steed shut the gate, pulled him off the horse and pounded him unmercifully. Both men paid fines for fighting.

Amelia Lewis was sent up for 15 days for intoxication. One O'Brien paid a similar fine, and in default of the cash went to the county jail to work it out.

Tom Hill alias Tug Wilson, was fined \$10 and costs for intoxication and judgment suspended to enable him to leave town.

BASE BALL. The B. & M.--St. Louis Game To-day! Lovers of the national game will be well repaid by witnessing the St. Louis game this afternoon.

The B. & M. boys may not play so exciting a game as their 3 to 2 eleven inning game was with the Chicago, but they will dare 'em just the same.

Morton, their new player, arrived from Cleveland yesterday, and will appear in the diamond field with the B. & M. for the first time to-day. He looks like a hard hitter.

The St. Louis boys will appear in their very novel suit of almost red uniform. They are spoken of by the Cincinnati Enquirer as the most expert and daring base-runners outside of the league. Game commences at 3 p. m.

If You Are Ruined in health from any cause, especially from the use of any of the thousand nostrums that promise so largely, with long fictitious testimonials, have no fear. Resort to Hop Bitters at once, and in a short time you will have the most robust and blooming health.

western, once called the Flying Irishman, a little less than 40 miles. It brings express on Great Northern railroad, London to Edinburgh, 395 miles, in 9 hours.

The Midland line, Scotch express, London to Glasgow, 425 miles, 40 1/2 miles per hour.

These are the five fastest trains in England, the Leeds express, with its 47 miles per hour, being the fastest.

THEIR OWN DIVISIONS. The adjourned session of the Iowa trunk line pool Wednesday at Chicago, lasted not to exceed one hour, and developed nothing of great interest to the reading public. The time of the meeting was taken up in arranging divisions as between the Chicago roads and the Union Pacific on merchant dispatch freight destined to points on the latter line east of Plum Creek, Neb.

North Platte Courtesies. Special Correspondence of THE BEE. On arriving at North Platte, Neb., the county seat of Lincoln county, on the Denver train, I was compelled to spend the day at that point to await the arrival of the overland train, due here at about 9 p. m., to take me to Sidney, Neb. While stopping over here and in looking about the town, I was indeed very agreeably surprised at the extensive circulation of THE OMAHA BEE in and around this thriving little city. Nearly every business man here is a subscriber of THE BEE, and that fact is sufficient evidence to show how much THE BEE is thought of by the western people.

I am greatly indebted to our old Omaha friend, Wm. Altstadt, Esq., alias Little Bismark and also to Albin Stolle, Esq., for showing me and extending every imaginable courtesy to me while here. Mr. Altstadt has had a remarkable success in business while residing here at North Platte, but one need not be surprised at that for Little Bismark is as full of good humor and genuine fun as an ever and is bound to make a host of friends wherever he may be. He keeps a first class place, which in size and elegance compares favorably with any in this whole western country.

Mr. Stolle, although a stranger to me, treated me most hospitably, and I visited with him nearly all our old subscribers. Mr. Stolle is a chief clerk in the store of T. J. Feley, one of the largest in the city.

J. Lanberheimer & Co., Fritz Kneer, W. H. Tucker, H. Gertler, Wm. Altstadt and Albin Stolle are all gentlemen extensively engaged in business here, and any one stopping over at this point will find it a pleasure to give them a call at their respective places of business. I left, after a day's visit, for Sidney and will give readers of THE BEE a description of that beautiful little city in my next letter. M. B.
