field here.

of R. A. Barrett has been found and left at THE BEE office for the owner. -Permit to wed was yesterday given

Nels Johnson and Anna C. Hansen, both of Elkhorn City, Neb.

-Judge James has let to Riss & McMil len the contract for building a Swiss cot age on the grounds next to his residence -Robert McWade appeared last even

ing to a fair sized audience at Dohany' in the well known character of "Rip Van Winkle." -"Gras hopper Sam" was yesterday ar

raigned in the police court on the charge of being a vagrant. He pleaded guilt; and was fined \$10.

-A bunch of keys picked up on Madi son street is in Chief Field's hands, and he is now pondering as to whether he had better offer a reward for the return of th owner.

-The weeds are allowed to grow up in some of the streets until the sidewalks ar fairly hedged. They are neither orna mental nor useful, and should be sup pressed.

-As will be seen by the advertisemen appearing in another column, there ar many attractions promised for the comin meeting and fair of the driving park asso ciation, all should remember the date.

-Two car loads more of Budweiser Bee were received by B. Hagg & Co. Person desiring'the same can be supplied and hav their orders promptly filled by sending i their orders to the above mentioned firm

-Henry Smith, who lives near the riv er, says the boys in the neighborhood ar annoying him and his family greatly. H has had warrants issued for the arrest two or them, one named Creighton, th other Schicketanz.

-"When railroads are prospering t country at large is prospering." So sa The Nonparell. It is evident that the

be made good.

anding colonel is home again, and is throwing out a little

pot last night from inflammation of the the authorities to the fact that there bowels. His death was very sudden and are men in this community who are unexpected. He was a member of the Humboldt lodge No. 174, I. O. O. F., and of the Concordia and of the K. of P. Funeral notice hereafter.

-A gay and musical time is that which the managers of Younkerman's Picnic Gardens promise their patrons on next Sunday, the 27th inst. The Mannerchor Singing Society, together with the "That stub line railroads, but main lines, Leetle German Band," will be among the pleasant attractions.

-The cases of Thomas Johnson and Cora Holmes, charged with lewdness, were disposed of Justice Abbott yesterday, who this will quiet the gang for a while.

-Harry Burton was arrested at Weston and brought to this city yesterday to answer to the charge of threatening to shoot some of the Kelley family. It is said that a more serious charge is to be formally laid at his door, it being that of bigamy. It is said that he has a wife in Indiana in addition to the one who is with him here.

-Frank Adams, the colored bar tender from Omaha, who is said to have thrashed "Butch," a white gambler, for being too intimate with his darling. Jennie Leitch. intimate with his darling, Jennie Leitchman, has got into trouble. He made some sale of Jennie's furniture, and now she has had him arrested for larceny. He gave ball to appear this morning in the superior court to answer the charge.

-In the case of Everett vs. Bigelow the jury in the circuit court returned a verdict their orders. of \$ 0 in favor of the plaintiff. Yesterday the case of Rodford & Folsom vs. the city, was tried and the jury returned a verdict of \$250 for the plaintiff. There was an appeal on a case in which the city condemned land for snalley in which the sward was \$100, and the owners appealed.

-In another column appears the advertisement of Morgan, Keller & Co., undertakers and upholsterers. This is a strong firm, and has been in business over twenty years in Council Bluffs. They carry the lar, est wholesale and retail stock west of gine. A new machine has just been Chicago. Their prices are to-day lower than Des Moines or Omaha. They authorise us to say that these prices shall be maintained against any and all competitors.

-The third days' work of the oil inspector was on tanks of the Consolidated company, the oil in which proved to be only 130 and 132 degrees test, and was therefore condemned. In the three days he has inspected one barrel each at five different places, and the other inspections have been of the Concolidated oil company. Do not This is a saving to the purchaser of any of the dealers have more than one the freight charges. They are at this barrel on hand to be inspected at a time? writing over run with orders, yet they men become interested with us. It is only Let the inspector brace up a little more guarantee customers-those sending yet and the public will be better satisfied. The fees for three days' work have thus far been about fifty cents. If he will pondence and guarantee prompt re really protect the public he should have place. See their advertisement in another column. more than than that, but if he continued as he started in, working for the building up of some particular firm, the office pays better than it deserves. It is to be hoped, newever, that the monkeying about will stop, and that the inspector will settle down to work for the public, rather than for private good.
