

THE DAILY BEE OMAHA SATURDAY, SEPTEMBER 16

steel: I coin vast iron acts, And orb the impalpable dreams of seers Into comely, lyric facts.

I am swart with the scots of my furnace. I drip with the sweats of toli; ly fingers throttle the savare wastes, I fling the bridges across the gulfs That hold us from the To-Be, And build the roads for the bannered

MUEICAL AND DRAMATIO

John S. Clarke is to act as Dromio of Syracuse in "The Comedy of Errors," in London. Mdlle, Rhea opened Monday night at the Park theater, Brooklyn, in Adrienny Leconvreur. A new comic opera is threatened, under the frigid title of "Arctic; or, the North Clara Morris will act in the Grand opera house next week, appearing in her remark-able impersonation of Miss Multon. On Monday night Lawrence Barrett, the tragedian, began his season at Haverly's Philadelphia theater, opening in Riche-

den, for the first time at Columbus, O., on Monday night. More than two hundred performances of Strauss' 'Merry War' have already been given in Berlin, and the operetta still draws crowded houses. Mme. Janauschek, Louise Elbridge, Edith Bland, Neil Burgess, and Solomons, the composer, were among the passengers who arrived last Sunday morning on the steamship Spain. Col. Nichols, of the Cincinnati college o which is to cluster all the operatic "star." and surpass another operatic "star." and surpass anything of the kind ever given in the country. Herr Neumann has organized a Wag-nerian opera company, with which he in-tends to visit various German cities At it needs. Brealau the whole of the tickets for the Nibelung Trilogy were disposed of before noon on the first day of sale, the emperor of Germany being represented among the purchasers. Brealtown, Towa, the other day, and the order of things was reversed by carrying the child from the grave to the cradle. During the summer the pianist Joseffy has been working at Tarrytown upon a new piano concerto, and has written a tran-cription of Delibes' "Pizzicati." He

similar institutions is certain.

For some time trouble has been brew-ing at St. Louis, Mo., over the question of colored children attending white schools, the school board having tailed to provide separate quarters. This morning the schools were organized, and some attempt made by white children to exclude them. A made by white children to exclude them. A large crowd assembled in anticipation of trouble. At one school a pitched battle took place, and the negro children were cleaned out by their opponents. At an-other school a colored by hit a white one with a stone, nearly killing him. The school board were bitterly denounced for failing to provide the negro children with a separate building. A Fortland school which had been some HONEY FOR THE LADIES.

A Po-tland school which had been exer-cised to walk cooly out in case of fire, tumbled over each other like sheep when a real alarm was sounded.

leaves unsolved the important question whom they meant by "the wrong woman." With some people the phrase would mean any woman not the pastor's wife, while others might construe it to take in only the woman who couldn't keep still about it.

It has been proven beyond a doubt that the Atlantic coast once grew oys ers larger than flour barrels, but no man can say whether they put any more of him into church festival soup than at this day. Probably not.

Probably not. In a western town, the other day, a young man was shot at, but the ball lodged in a tes-tament in his vest pocket. The Philadel-phia News says. "There ought to be a beautiful moral to this incident, but unfor-tunately the fact remains that if he had been reading the testament he would have een killed." A church in Lowell was ornamented with Asking re-lection, Up come the voters all With strenuous objection. —Baltimore American.

A church in Lowell was ornamented with pictures of "The Good Man in Heaven" and "The Bad Man in Hell." Eat when one of the deacons found that the man in the latter picture looked like him, he got mad and made such a row that falks thought a monsgerie had arrived in town. In a Deadwo d church the other day the

Striped plush is blocked into shape as lining for the wide bri us of felt hats. In a Deadwo d church the other day the large congregation were devoutly kneeling in prayer, when an irreverent joker quite audibly whispered: "Here comes an east-ern detective." In seventeen seconds all of that congregation except the chief elder had slid through the windows. "The Ber Checker Bentin dem income Sicilienne and Irish poplin are coming into fashion along with other repped goods. The ballet girls of Paris are on a strike, but not f r more clothes - for more salary.

The Rev. Charles Bentley drew immense congregations as a revivalist in Baltimore Diagonal rows of narrow bias ruffles are the new trimming for the foot of silk

a year ago, in conjunction with the Rev. A. D. Jones. These companions in re-vivalism recently returned to that city, in-tending to resume their work; but they were confronted by the charge that some of Leather lace with leaves of leather on twine ficelle lace is a novelty for trimming Ladies must remove their bonnets at the The ter Royal, Wiesbaden, whether they Bentley's conduct during his former visit had been criminal, and he has confessed his guilt, announcing that he will voluntar-ily retire from the ministry.

ily retire from the ministry. The Presbyterians of St. Johnsbury, Vt., are not having a peaceful time build-ing a new church. They bought the lot of Horace Wakefield, and had a lively fight over the dividing line, but finally corried their point. Wakefield at once put up a fence thirty feet high along the line, and coated the Presbyterian side with barted wires. These wires, the church standing close to the line, made labor on that side of the building exceedingly high priced, and the society finally decided on erecting an-other fence, which should cover the barbs

other fence, which should cover the barbs and protect the carpenters' trousers. Wakefield has just served an injuction on the society, restraining them from building this fence.

Only Joking. PY L C. CAVERS, She led him on with smiles and wiles Till hand and hear the offered, And then she thought she'd rather not Accept the treasure proffered.

"No, no," she sighed, "I'll be no bride, My love is not entangled; But till life's evs I'll deeply grieve O'er your heart torn and mangled.'

"Hold on, fair maid," the lover said,

His voice emotion choking; "Don't feal so blue, I swear to you That I was only joking.

be examplerating to Only as recently dis-carded suitor, but it shows that she is quite likely to capture auother.
The Germans are beginning to complain that they have to come to New York if they wish to hear their fayorite stage art-ists. The Tholia theater has secured for this season a large number of new artists, among them Frau Gallmayer, Herr Bar-neys and Herr Wilkes, Fri. Galster, Fri. Pibsch, Herr Knack and Carl Lindau. Herr Barneys bears mentioning in Gar-meny in the same breadth with Haase, Sonnenthal, and Possart. He is also well known in London, where he appeared as leading actor of the Meiningen company a few years ago. Frau Gallmayer's popu-larity in Vienna is equal to that of Frau Geistinger.
A tourist in San Francisco says that "the regular orchestra of Chinatown con-sists of a one-stringed tidel, with long neck, a small banjo, a flageolet, a drum, a tamb urine played upon with slender, ferville deumstick and ult he acompt the same one the same say.

in protound contemplation.—Texas Sift-ings. Ings. Ings.

It is complained of the public schools of Philadelphia that there teaching is narrow and antiquated. Memory is cultivated at the expense of every other faculty.

RELIGIOUS.

The first colored Baptist church in west ern Pennsylvania has just been dedicated.

In the schools of Weimar, Germany, there is an excellent custom of taking all the pupils once a week under different teachers on the excursion of out-door study and observation. It is located in Pittsburg. Mark Twain is credited with the remark that one connot throw a brickbat in the city of Montreal without breaking a church window.

No text books in arithmetic or geogra-phy are put into the hands of pupils dur-ing their first three years in the primary schools of New Haven. The oral method is chiefly used. The result is said to be encouraging. The "Racoon Presbyterian church" of Midway, western Pennsylvania, celebrated the one hundredth anniversary of its existence recently.

incouraging. The United Presbyterian church of this Educational interests are not neglected country is still rent in twain over the ques-tion whether or not instrumental music shall be allowed in the church. It is said in Texas. Dallas is building five public school houses at a cost of \$5,000 each. San Autonio is creeting a High school house at an expenses of \$34,000, and Corsicana has just built two school houses at a cost of \$12,000 each. that the matter will be ultimately carried into the courts.

The Rev. Joseph Cook left Sydney, Aus-\$12,000 each. More than 250 of the young women at Wellesly College study chemastry. The college expects to instruct about 500 stu-dents next year. A new preparatiory school is to be established in Philadelphia this autumn as a source of supply for Wellesley. The annual charges of the college have been raised from \$250 to \$215. Miss Alice E. Freeman, the newly ap-pointed president, has received from the Univirsity of Michigan the degree of Ph. D. Trails. on August 10, for this country. He intends to visit the Sandwich Islands on his homeward voyage, and will probably not arrive at San Francisco before Octo-ber 1. It is announced that he may re-sume his Boston lectureship.

There are two interesting "Housekeep-ing Schools" in the Kingdom of Wurtem-berg, which have something of the charac-ter of a secondary school or college, no girl being admitted to them till she has passed through the ordinary schools. The general aim of the course of lectures and of the uncefuel work at these institutions

The twenty-second annual meeting of the English Church congress will be held from October 3 to Oct ber 6, at Derby, un-der the presidency of the Bishop of Litch-field. The proceedings will be opened with divine service at two churches, where the preachers will be the Archbishop of York and the Bishop of Truro. The opening ad-dress will be delivered by the Bishop of Litchfield, who will speak on "Unity of Belief in Relation to the Diversities of Thought. passed through the ordinary schools. The general aim of the course of lectures and of the practical work at these institution is the cultivation of "cleanliness, order, punctuality, and efficiency in housework". All the work of the house is done by the pupils during the day hours. The evening is devoid to lecture on various subjects, singing, and drawing. In both institutions the programme is divided into three branches of instruction -housekeeping, woman's work, and con-timation of the teaching acquired in the listic of the salvation army in Eng-inctudes cooking, breatmaking, gardening, and the management of all articles of ordinary food, such as milk, fruit, meat, etc. Unitary food, such as mike, embroidey, and even cob-bling, with instruction in the manufacture and character of the various stuffs and hace. The third division embraces mental arithmetic ("head-reckoning," as the Ger

A great deal of dull red is seen on the

newly imported costumes, and a touch of red is in almost all toilets, though it may be only a copper-red silk neckerchief, a flamingo's breast on the turban or terra-

otta gloves. India cashmere shawls of great value, and many of which are heirlooms, are most most ruthlessly out by dressnakers to make short "visites." It is said that an ulater has lately been made of a shawl that ost \$500.

Milliners select the best feathers of eight birds to make a single turban. Blue jays, black birls, magples, crows, partridges, hawks, wild ducks, pigeons, swallows and many other familiarly known birds are stripped of their feathers to minister to the

new craze. White with gold, white with silver, lilac and panay shades, are the colors for dinner and evening dresses worn at Newport, White, pure and simple, is losing favor because it has been so generally worn du ring the summer, and it is now usually ac FURNACES IN THE WORLD.

companied by red and yellow. The new braid embroidery differs from **BICHARDSON, BOYNTON & CO** The new braid embroidery differs from that so familiar to every lady by having the narrow braid set up on one edge in what is called "knife-blade" fashion to make the figures appear in relief on the fabric. A maxon cloth is the most suitable material for braiding; cashmere is not fi m enough, and this work upon it has a drawn both the is not enduced.
