which makes a man powerful. Farmers must pay more attention to this. The speaker finished by suggesting that this knowledge and intellectual development be encouraged by prizes. Each county fair should offer a prize good, but held at fancy figures, there-Electrician for the best essay by a man under twenty-five on a subject furnished by the directors. The prize essays from all the county fairs should be entered for competion at the state fair. Subjects should also be offered the ladies, on matters of interest to them. Mr.

Wilson speaks with the air of a man who has confidence in his utterances. This mere statement of propositions almost carried conviction. President McWilliams and Secretary Gill deserve much credit for

doing their best to make our fair a Office Cor. Broadway & Glenn Ave The 14th was a happy day for our politician, as the congressional nominees, Major Anderson and W. H. M. Pusey were both here, besides Mr. Chapman, of The Nonpareil and Hon.

The treatment of all diseases and prinful dif-iculties peculiar to females a specialty. J. F. Wilson already mentioned. Mr. Wilson dined with our postmaster, Mr. J. Fred. Meyers, and, together with several of our citizens, vas entertained with tea at Hon. H. Attorney & Counsellor.

C. Laub's. Our hotels have been crowded with guests during the fair. Office over First National Bank, Council Bluffs, owa. Will practice in the state and federal

We notice that our popular hardware man, J. B. Romans, is disposing of a good deal of coal. This hot weather cannot last much longer.

The two combatants, Bills and Rid-

dle, of whom we wrote you some time ago, are both acquitted. Bills was defended by Mr. T. N. Shaw, and Riddle was discharged because no one appeared against him.

We noticed sundry large boxes be ing opened at Carr's book store. We advise the curious to call and see what they contained.

Our schools begin next Monday with ex State Superintendent Von Coellu as principal We predict a very successful session. Many of our young people are leaving the county for an education. Four of them have just started for some college at Mt. Vernon, and others will go to other

LADY BEAUTIFIERS-Ladies, you cannot make fair skin, rosy cheeks, and sparkling eyes with all the cosmetics of France or beautifiers of the world, while in poor health and nothing will give you such rich blood, good health, strength and beauty as Hop Bitters. A trial is certain proof.

CARSON ITEMS.

To the Editor of Tun Hun: Carson, Ia., September 13 .- The present prespects of the corn crop is of the way of the frost. The weather Atheny, deplember 19, and is a great-has been extremely dry and hot which grandson of William Floyd, one of the apposize the postatice. One of has been the making of the corn in ARTISTIC POTTERY, corn crop ten bushels short of what it First artillery in 1861, and served would have been, but gives us a good with his battery under Gen. McClel-

quality of corn. quality but a fair yield is expected. in quality and yield.

expect good prices for their corn.

Monday night. Woe be to the thief if the boys get a hold of him. They are on close tracks and will probably the extreme and heroic daring maniovertake him. CARSON.

Woman's True Priend.

A friend in need is a friend indeed. This none can deny, especially when assistance is rendered when one is sorely afflicted with disease, more particularly those complaints and weaknesses so common to our lemale population. Every woman should know that Electric Bitters are woman's true friend, and will positively restore her to health, even when all other remedies fail. A single trial always proves our assertion. They are pleasant to the taste, and only cost fifty cents a bottle. Soldby C. F. Goodman

WEALTHY LODES

Free America" Tugging the "Boulder Neet" in the Vicinity of "St. James."

orrespondence of The Bee. DUMONT, September 14.-Red Elephant mountain is west of Dument, from one-half mile to one mile and a half distant. On the southern slope of this mountain the Free America Mining company have the "Free America" lode, "White" lode, and

superintendent. Free America shaft is down 700 feet with drifts east and west each 90 feet. The ore is 10 to 18 inches thick, mills 500 to 600 ounces in silver; housting engine 45-horse power.

The White lode has a adit 15,000 feet long, and three shafts. The hoisting engine 45-horse power. Ore mills from 200 to 300 ounces in silver. his soul a tiny shrine at which there This mine is at present worked by burned forever and ever a flame of

The Boulder Nest lode has a shaft fair began here on the 13th. Not-withstanding farmers have not taken to 18 inches thick, and mills from 300 plunging maily forward into the darkas much interest as they ought the fair to 400 in silver to the ton. Hoisting has been largely attended. Competent engine 45 horse power. This mine is

The above three mines are close to that at the state fair. The oration gether and employ from one to three hundred men, and supports a town of was delivered yesterday by Hon. J. considerable importance. This town F. Wilson. Mr. Wilson began by

The "Free America Extension" about competition, showing that this lode connects with the Free America is the most prominent feature of our eastward. This mine has a shaft 300 feet deep; ore similar to its namesake; engine 45-horse power.
The owners, Weston et al., are now

petition the speaker naturally went on America, and have 90 feet yet to drift The "St. James" lode further south

Represented, and Prices are not willing to allow even a fair deep; ore three to four feet thick; profit, Corporations are good in their mills 50 to 100 ounces in silver. The "Tabor lode," shaft 150 feet MRS. D. A. BENEDICT, business and not meddle with public matters, individual or firms. The next point was that it is information where per ton, owned by Livingston where makers makers makers are proposed to the public inches ore, mills 100 to 400 ounces of silver per ton, owned by Livingston

at present. This mine is said to be fore not likely to find a market for some time in the future.

The above mines are the most prominent and the only mines visited on Red Elephant mountain. Columbian mountain is opposite

the Red Elephant and on the south side of Clear creek.

The following are the mines visited. The "Murray" lode has a shaft 300 feet deep, engine 35-horse power, ore

12 to 18 inches, mills 40 to 200 ounces silver, and 8 to 20 per cent copper.

The Columbian Chief lies 100 feet south and nearly parallel. Has 6 to 8 inches of ore that mills from 50 to 500 ounces of silver; select specimens, 1,000 ounces. This mine is at present worked through a cross-cut from the Murray mine, and use the Murray

engine for hoisting purposes. The Columbian Chief has lately been purchased by S. J. Hoyle, of Denver. Lawson is a small town with three stores, two saloons and good depot. It is situated between Red Elephant

and Columbian mountains, one and one-half west of Dumont. Other mines were visited on "Picher" mountain one-half mile northwest

of Dumont. Prominent among them is the Eclipse Lady owned by Eldred and Marsh. The adit is 86 feet long. At its end there is a shaft 28 feet deep disclosing a large body of fine looking ore. This is a late "atrike" and the company are now hoisting ore to be tested at the mill.

One hundred feet southwest is "The Claredon" Lode owned by the Marsh Bros.; shaft 56 feet deep, ore six inches, mills 128 ounces in silver, and 20 per cent copper. Further east on Hiawatha Mount,

one-half mile northeast from Dumont, the Vete Grand, Milton, Eagle, Rosa, and several others were visited, but reserved for future referrence.

Incredible.

F. A. Scratch, 'druggist, Ruthven, Ont., writes: "I have the greatest confidence in your BURDOCK BLOOD BUTTERS. In one case with which I am personally acquainted their success was almost incredible. One lady told me that half a bottle did her more good than hundreds of dollars worth of medicine she had previously taken."

Price \$1.00.

COL. SCHUYLER CROSBY.

And the Villain Deserted Her-

sicago Tribune "Do you love me?"

The words came softly forth from ruby lips still dewy with the kisses of the one to whom they were spoken, and Gladys McMurtry knew that Ethelbert Frelinghuysen was no dissembler, no trifler with women's hearts, but ever kept within the precincts of pure and passionless affection for her upon whom he had lavished the treas-ures of his heart. Wild and reckless plunging madly forward into the dark some labrynths of sin and shame, even t times smoking eigaretts, Gladysknew that her voice could ever call h m back purity and repentance, her dimpled hand lead him in paths that were gemmed with the roses of innocence. And so when he asked the question that she loved so well to hear there came to her pretty face a joy ous smile, and the drooping lips that over hung the riant mouth quivered with pleas-ure. But she did not answer him in words. Putting her dimpled arms around his neck she kissed him in the warm, North Side fashion that was so dear to his hear, and then a little head nestled confidingly upon his

soft, warm hand, told him the story "Kisses, and embraces, and fair words are very pleasant things—sweet lips, and warm arms, and loving eyes - but truth, and sincerity, and loyalty, and purity are very much fairer, and in-

shoulder, and the gentle pressure of a

finitely rarer." "Do you mean this?" asked Ethelbert, bending forward and looking at Gladys with a fixed, nailed-at-thecorners-and-clinched-on-the-other-side

"I do," she answered, speaking the words in the slow, New-York-Post fashion that became the sensuous grace of her Kenosha feet so well.

"Then," said Ethelbert, with a ten derness that showed what a daisy lair he was, "I will not deceive you lon-

"What do you mean!"-Gladys spoke hurriedly. "I mean," he replied, "that I have joined the Anti-Ice Cream Benevolent and Protective Association," and turning suddenly he began chasing a horse car, leaving the girl who loved him so well alone and desolute.

A full feeling after meals, dyspep sin, heart-burn, and general ill-heath relieved by Brown's Iron Bitters.
