THE ANTI-MONOPOLY LEAGUE. CENTRAL CITY, August 14.

The State Anti-Monopoly league will meet at Hastings, September 27. 1882, in connection with the State Farmera' alliance, for the purpose of putting before the voters of the state of Nebraska an independent state anti-monopoly ticket. All anti-monopoly leagues are requested to call special meetings to elect delegates to attend the convention.

By order of the executive com-H. C. OSTERHOUT, mittee. Pres. State Anti-Monopoly League.

The ticket might have been worse but could have been a good deal bet-

ter.

As a presiding officer Griggs looms up like a very small pea in a very large pocket.

DougLAS county came out of the little end of the horn in the state convention.

THAT sop thrown to Dorsey will hardly make him forget that he was sold out.

LIGHTER taxation and cheaper governments are two of the demands of the people of this country.

MR. DORSEY's faith in John M. Thurston has fallen twenty points since the second ballot on the governahip.

It is in accord with the eternal fitness of things that a fraud and jobber like Loran Cark should be counted in by fraud.

It was hard work for Church Howe to mumble out a few words of allegiance to party with the two black eyes which he wore from the Nebraska

has not backed down from his position and Mr. Turner proposes to remain in the field untill the last gun is fired. When Senator Van Wyck consented

to take part in the ratification at Fremont he expressly stated that he must be in New York on the 25th of September to attend to important business matters. It was understood that unless the meeting could be held on Thursday evening he could not possi-

bly attend. Last Saturday he was notified that

the Fremont opera house was engaged for Thursday evening by a theatrical

troups, and as there was no other at any election? suitable hall a change of programme had to be made. It was arranged that the meeting should take place at 4 p. m. Thursday, but owing to the

delay in the state convention this arrangement could not

carried out. Senator Van Wyck expects to return within twenty days, and the committee at Fremont have his written promise to be on hand to

address the republicans of Dodge county on Tuesday, October 10th. Meantime the campaign in the Third

district will go on. Within a few days a list of speakers and places of meetng will be announced by THE BEE, the matter of levying taxes or reguand local campaign committees will be lating prices of commodities or charge organized in every school district for services." The people are already aroused, and

they only await the opportunity to endorse the revolt against corporate bossism at the ballot box.

City and Omaha conventions.

THIS is the third time Gad Slaughter has been used a tool to defeat republican candidates by a fraudulent count. A fellow capable of forging legislative on a ballot.

NEARLY 1,600 new clerkships were created by the last congress, and Don Cameron thinks he has been badly treated because Pennsylvania only got sixty of the appointees.

front with his pirate yacht in one hand and the democratic nomination for governor of Massachusetts in the other. When Butler screws his cock eye on a convention something is bound to drop.

DICKSON the foreman of the star route jury is to be prosecuted under section 5,403 of the revised statutes, which makes the sending of a communication to a juror or the reading of an outside statement in the jury room, by a juror, punishable by a fine of \$1,000, or six month's imprisonment. Mr. Dickson can be convicted on the charge of violating this statue if he cannot be convicted of bribery. Stephen Dorsey's money which has enriched Dickson will now be used to fix another jury.

THE Philadelphia Record says that "the next field in which the combined army of prohibitionists and woman suffragiata will move in Nebranka," and informs it's readers that "the suffrage amendment as well as the pro-hibitory liquor mendment having passed two legislatures both will be submitted to the people for notification at the coming election." The Record is badly in error. No prohibitory amendment has passed a Nebrasks legislature and a junction of prohibitionists and woman suffragists will not be made at the coming election.

THE accident to the water works main yesterday and the failure of the water supply at a very critical moment calls attention to the necessity for an additional main connecting the reservoirs, and the system which affords fire protection to the city. Had a calls attention to the great advance high wind been blowing yesterday noon great damage might have re- printing. This issue of the Graphic sulted to adjacent property.
