

THE WAR OVER

Settlement of the Pool Line Trouble--The Car Painters.

The trouble between the Iowa pool lines has been the uppermost topic in railroad circles for some time past, but it is now believed that a settlement of difficulties has been arrived at. The Chicago Tribune of Sept. 22 says:

"The dark clouds which have been gathering for the last few days on the horizon of the northwestern roads and threatening to bring on a storm of unusual severity looked less alarming yesterday, and hopes are now entertained that they will break to-day. After the adjournment of the meeting of the Iowa pool lines, everybody felt confident that nothing could avert a most disastrous war among the western and northwestern lines. Mr. Potter, the general manager of the Burlington, heroically came to the front and opened fresh negotiations to secure a compromise agreement on the northwestern passenger traffic. He labored personally with the officials of the various roads and urged them to make concessions in order to prevent a war that would necessarily inflict heavy damage upon all the roads. He could not see why any of them should refuse to meet the offers half-way when there was so much at stake. He showed them that they could better afford to make some sacrifices on the passenger business than create havoc among freight and passenger rates, and bring on a war the result of which might prove disastrous to most of them. The general passenger agents of the various roads were finally got together, and they labored long and hard to compromise their differences and effect an agreement that would be satisfactory to all concerned. They finally succeeded in setting the points at issue, and the agreement was submitted to the general managers of the various roads. It met with the approval of those of the Northwestern, Rock Island, and Burlington, and they appended their signatures. General Manager Merrill, of the Milwaukee & St. Paul, was in Milwaukee, and could not be personally consulted. The points of the new agreement were telegraphed to him. An answer was received from him that as he could see from the points submitted the agreement would be satisfactory to him also, and that he would be in the city this morning to meet the general managers of the other roads."

THE CAR PAINTERS. The convention of master car painters of the United States continued its session yesterday at the Palmer house, Chicago.

The first topic discussed was "When the paint on a panel is in condition to blister, why does it not blister all over, in place of being limited to a few spots, which is the usual case?" The discussion was opened by George Forby, of St. Louis, and William Sharp, of Adrian, Mich., and was participated in by Messrs. McKoon, Will, Henney, Felch, Steins, and others. The conclusion arrived at was that dampness, heated air, foreign matter in the color, was responsible for the local blistering.

As an essay on "Surface Painting" was next read by C. E. Felch, of Sutton, Quebec. The essay was criticized by Messrs. Cooley, Emerson and Ball. The next topic was "What Advantage is There in Any Stripping, Lettering and Decorating on Bare Color Instead of Giving it a Coat of Varnish Previously?" M. W. Stone, of Dayton, O., opened with a paper, and the subject was thoroughly discussed by Messrs. Ball, Condon, Will, Phillips, McKoon, Cooley, Billings, Davis, Lewis and others. The sense of the meeting was that there were decided advantages in working on bare color.

"What are the Benefits Resulting from the Use of Ready Mixed or Prepared Ground Colors in the Railway Paint Shops?" was the subject treated next, in a paper by J. H. Will, of Morrisania, New York. The opinion of the convention was about equally divided on this question.

The report of the committee appointed to consider the advisability of formulating a standard system of car and locomotive painting, and of the creating of an advisory committee, was heard and laid on the table for action at the next meeting.

Incredible. F. A. Scratch, druggist, Ruthven, Ont., writes: "I have the greatest confidence in your BURDOCK BLOOD BITTERS. In one case with which I am personally acquainted your success was almost incredible. One lady told me that half a bottle did her more good than hundreds of dollars' worth of medicine she had previously taken." Price \$1.00.

STRIKING FOR SUFFRAGE. The Forthcoming Convention of the National W. S. A.

The National Woman Suffrage Association will convene in Omaha at Boyd's opera house to-morrow evening, Sept. 26, and hold a three day's session. This is their fourteenth annual convention, and a large number of prominent speakers from abroad will be in attendance, a majority of whom are celebrated for their learning and oratorical powers. Among those to be here are: Miss Phoebe W. Cousins, Missouri; Mary B. Clay, Kentucky; Judge Kingman and Gov. Hoyt, Wyoming; Mrs. Helen M. Gougay, Indiana; Madam Clara Newman, New York; Mrs. Virginia Minor, Missouri; Matilda Hindman, Pennsylvania; Elizabeth Saxon, Louisiana; Elizabeth Harbert, Mrs. Julia Dunn, Illinois; Harriett B. Shattuck, Massachusetts; Rachel G. Foster, Pennsylvania; May Wright Sewall, Indiana; Mrs. Amelia Bloomer and Jane C. McKinney, Iowa; Eileen L. Mason, Wisconsin; Marietta M. Bones, Dakota, together with Clara B. Colby, Mrs. H. J. Brooks, Ada M. Bittenbender, G. M. Correll and other Nebraska speakers. Mrs. Colby, who has charge of all arrangements, will have her headquarters at the Paxton Hotel. At the close of the session Thursday evening a reception will be given at the Paxton from 9:30 p. m. till 12 midnight, to which invitations will be issued. It is the aim of this association to

make a desperate struggle for woman suffrage this fall, and after their convention in Lincoln, September 29th and 30th, good speakers will be sent through the state and remain in the field until the day of election.

Not a drink, not sold in bar rooms, but a reliable non-alcoholic tonic medicine, useful at all times, and in all seasons, is Brown's Iron Bitters.

ALL FOR A DIME. Pleasant Evening at the U. C. L. A. and Promise of More at the Same Place.

Accordably to the announcement in the daily papers, the dime series of entertainments of the U. C. L. A. for season of '82-'3, was inaugurated in the library rooms Friday. The occasion was signalized by perhaps the largest and most intelligent audience that has yet gathered in the rooms. It was a number of ladies from abroad, now sojourning here, among whom was mentioned Miss Baxter of Nebraska City, Miss Gavin of Aurora, Miss Fay of Cleveland and Miss Georgie Hagy of Sioux City. The last mentioned lady took part in the piano duet with Miss Katie Murphy, the selection being a piece of Donizetti's. The programme consisted of eleven pieces and in merit was equal to many for which on previous occasions the admission to the entertainment has been 50 cents. It gave unequivocal satisfaction.

The library association is splendidly qualified to continue these entertainments. Its rooms are central, cheerful, cozy, pleasant to visit, especially when illuminated. Many of its members are talented readers, speakers and musicians, and all them are studiously engaged in aiding the management in building up a social and literary organization that, in a short time, shall come to be recognized throughout the city. The rooms, however, spacious as they are, lack the ability to accommodate the people who avail themselves of the entertainments. Next month there will be no tickets sold beyond the seating capacity of the rooms, and this rule will be adhered to until something on a grander scale can be perfected. It is stated that that evening applications were made for tickets for the next sociable, a month hence.

MONROE, Mich., Sept. 25, 1875. SIRS--I have been taking Hop Bitters for inflammation of kidneys and bladder. It has done for me what four doctors failed to do. The effect of Hop Bitters seemed like magic to me. W. L. CARTER.

St. Clair Mineral Springs. THE BEE acknowledges the receipt of the illustrated pamphlet, issued by the St. Clair Mineral Springs company, of St. Clair, Mich. These springs are located at St. Clair, Mich., on the west bank of the St. Clair and at the mouth of Pine river, about five miles northeasterly from Detroit. In connection with the springs there is one of the best hotels in the country and called

THE OAKLAND is new and first class in every respect, furnished with all the comforts and conveniences of hotels of this class. Heated by steam, lighted by gas, electric bells and fire alarms, hydraulic elevator, open grates, etc., etc. This Oakland is built in the Queen Anne style of architecture and has a frontage of nearly 500 feet, with 1,000 running feet of verandah varying in width from 10 to 20 feet. It is situated on the banks of the River St. Clair, in full view of the passing fleets.

The facilities offered for the comfort and pleasure of persons seeking health and recreation are varied and numerous. With the fine boating, fishing, drives, scenery, the comforts of the Oakland, and the curative properties of the waters of the St. Clair Mineral Spring, it presents one of the most attractive resorts on the continent.

With the additional advantages which a fine hotel and the society of a large number of health and pleasure seekers will furnish, it will readily be conceded that no place will possess greater attractions.

Fall Down. Mr. Albert Anderson, York street, Buffalo, fell down stairs and severely bruised his knee. A few applications of Dr. THOMAS' ELECTRIC OIL entirely cured him.

Saratoga Society. Mrs. W. H. Lawton is entertaining her sister, Mrs. L. S. Gater, of Virginia City, Nevada.

Hon. James H. Kyner has gone to the Oregon Short Line.

Our school commenced Monday, with F. M. Bailey as teacher. The interior of the school room has been much improved by the new blackboards, and a thorough renovation which undoubtedly will be appreciated, as well as the new iron pump which has recently been put in operation.

Wm. J. Toussley has returned to Grand Island to look after his business interests.

Mrs. Jerry Edson, of Fort Madison, Iowa; Mrs. Blackburn, of Keokuk, Iowa; and Mrs. Sarah Young, of Irvington, the popular teacher of that place, are guests of Mrs. Frank Smith. Mr. George Fillett, of Burlington, Iowa, is the guest of Miss Cora F. Knight.

Saratoga is well represented at your city schools. The Misses Duery attend the high school, as does also Miss Alice Rustin. Miss Emma Purcell represents Saratoga at the sisters' school on 18th street and Mr. Turner Purcell at Creighton college. Master Willie McKee enters Wyman's college on Monday next. Master Johnny Crott at college at Nebraska City.

Miss Ada Smith was the recipient of a very pleasant surprise last evening by a few of her many friends. The evening was largely enjoyed by all. Dancing formed the principal amusement, although the musical talent present, of which there was not a little, was thoroughly utilized while waiting for delinquent musicians, which, perhaps, were all the more appreciated for their tardiness. The

party were royally entertained by Mrs. Smith, assisted by Mrs. Blackburn, Mrs. Edson and Miss Young. Among those present were Mr. C. W. Toussley and Miss Cora F. Knight, Mr. R. S. Christie and Miss Mollie Hayward, Mr. R. Hayward and Miss Manie Brown, Mr. R. M. Monroe and Miss Georgia Shipman, of Omaha; Mr. Lewis Littlefield and Miss Mollie Monroe, Mr. George Gillett, of Burlington, Ia.; Messrs. E. P. Brewster, F. N. Felton, James Brown, Calvin Hayward, Charles Brown, Miss Minnie and Alice Avery, Emma Mirar, Frenca Wetzel, Millie Mathison, Jennie Patrick, Jennie Lawton, Helena Mathison, of Omaha, and others. Cuckoo.

The Law of Kindness. It is universal. It abates all the human family, all animals, and may be even found in patent medicines. Some are drastic, and the patient is obliged to suffer pains worse than the disease; but in cases of obstinate constipation, dyspepsia, there is no remedy so kind, so gentle in its effects, and yet so satisfactory, as BURDOCK BLOOD BITTERS. Price \$1.00.

A FINE CARD. The New Album for the Paxton Reading Room.

We were Saturday shown an advertising book, or album, for the writing table of the Paxton Hotel that surpasses anything of the kind we have ever seen. The album was made for Mr. Chester S. Clapp, well and favorably known as one of our enterprising young men, and certainly reflects great credit upon the novel ideas of its originator, yet not more so than the elegant workmanship of Mr. F. C. Fester. Our space will not permit a thorough notice of it in detail, in fact it must be seen by our business men, who we think will be convinced it is one of the cheapest as well as the easiest way of bringing their business and locations of same before strangers and the public generally.

Mr. Clapp has been a sufferer from a bad attack of rheumatism, and has not been able to get the work as intended, but is getting in good shape again and will soon visit the public to see the album at the Paxton reading room. He has a letter from Messrs. Kitchen Bros., authorizing him to place the same in their hotel to become their property and for the exclusive use of their guests. Chief says he is going to have a chain and small dog to keep patients from loafing or carrying it away. It contains already cards and plates of some of our first business houses, together with comical pictures, photographs, sketches, etc., show that it is appreciated. Plenty of space left yet, and any information in regard to prices can be had from Mr. C. by postal to postoffice.

Supreme Court of Nebraska. Dietrich vs. L. & N. W. R. R. Co. Submitted.

The following motions for rehearings were overruled: Jones vs. Harburt, Dack vs. Smith, and Crasby vs. Steele. Wagenau & Co. vs. Bell. Error from Dodge county. Reversed. Opinion.

1. A person who is precluded by statute from testifying against an executor, cannot, by transferring his interest during the pendency of the action be rendered competent to testify.

2. A transfer by a plaintiff of his interest in the action to a co-plaintiff during the pendency of a suit will not justify a court in dismissing the action.

FRANKLIN COUNTY FAIR. FRANKLIN, Neb., Sept. 21, 1882. To the Editor of The Bee:

Your correspondent was requested this morning to "take in" the county fair of Franklin county, now being held at this place, so with Faber in hand we repaired to the beautiful grounds adjoining town on the east, where we found a large number of people already assembled.

The display in the various departments reflect great credit upon this section of the county, and especially in this respect in the department of agricultural productions. We were very highly pleased with the manner in which the people of this section vie with each other in exhibiting the fruits of their labors, among the novelties we noticed were a half dozen watermelons averaging about 60 lbs. each, a bushel of excellent potatoes averaging about one and one half lbs. each, onions weighing two lbs. or more in almost endless varieties some stalks ten to fifteen feet in height, with large well filled ears, and in fact everything in this display war-

rents us in saying that there are very few counties in the state that can compare with Franklin's her agricultural productions. We remember that Franklin county has claimed to be the banner county in the state for farm products, and we now think she is entitled to a prominent place in the state productions.

In the afternoon Miss Susan B. Anthony delivered a lecture at the fair grounds on the subject of woman's suffrage, which was listened to by a large number of people. The "suffrage" movement is not very enthusiastically supported in this county, and numbers only a scattering few adherents. Miss Anthony lectures tonight in Bloomington, the county seat and principal town of the county.

If we conclude to see more of the fair to-morrow, we will give you another "epistle," in case anything of interest to your readers occurs. "ARGOS."

Horsford's Acid Phosphate-Lem-onade. DR. C. C. OLMSTEAD, Milwaukee, Wis., says: "I use several times in my family, annually, as a tonic, and I prize it highly."

Oh, My Back!

That's a common expression and has a world of meaning. How much suffering is summed up in it.

The singular thing about it is, that pain in the back is occasioned by so many things. May be caused by kidney disease, liver complaint, consumption, cold, rheumatism, dyspepsia, overwork, nervous debility, &c.

Whatever the cause, don't neglect it. Something is wrong and needs prompt attention. No medicine has yet been discovered that will so quickly and surely cure such diseases as BROWN'S IRON BITTERS, and it does this by commencing at the foundation, and making the blood pure and rich.

Legansport, Ind. Dec. 1, 1880. For a long time I have been a sufferer from stomach and kidney disease. My appetite was very poor and the very small amount I did eat disagreed with me. I was troubled very much from non-retention of urine. I tried many remedies with no success, until I used Brown's Iron Bitters. Since I used that my general health is such that I feel like a new man. After the use of Brown's Iron Bitters for one month, I have gained twenty pounds in weight. O. B. SARGENT.

Leading physicians and clergymen use and recommend BROWN'S IRON BITTERS. It has cured others suffering as you are, and it will cure you.

Fighting Fire with Fire. This may be good policy, as a blinding practice, but it will not answer with the fevered human system. Irritating medicines exacerbate and intensify all complaints of the stomach and bowels. Never use a drastic evacuant for indigestion or constipation.

Admirer instead Tarrant's Seltzer Aperient, which is a tonic, a cathartic, and an invigorant and has a soothing and healing effect upon the diseased system. SOLD BY ALL DRUGGISTS.
