THE REAL ESTATE MARKET. Recent Developments in That Line--Prospects for Future Activity.

From present indications there will be an active demand this fall and next spring for building sites in the western part of the city, as far west as the tract known as West Omaha, and to the northwest of that locality, still farther west. During the past two years parties have been quietly buying up property in that direction, some for the purpose of making homes for themselves, satisfied that they will never be able to buy at less figures, and others have invested for a rise. The latter are generally in position to hold until the rise comes, even if it should be delayed for a year or so.

THE CHRISTIAN CHURCH. Proceedings of Its Convention During Friday's Session. Gratifying Success of Missionary Work Throughout the State. State Journal.

Convention met and was called to order by J. Z. Briscoe, and after scripture lesson and prayer by Elder W. A. Parkinson, minutes of previous session were read and approved. After the appointment of some committees the convention received the reports from churches, showing that in Richardson county four new congregations had been organized and about 280 converts made during the year.

Recess was then taken until 2 p. m. when Messrs. Hoagland and Sibley were introduced and addressed the convention in behalf of prohibition, to which our state Evangelist, Elder Barrows, replied, pledging the unsifted and nearly co-operation of the entire brotherhood, and the twenty or thirty ministers present pledged themselves to preach a sermon on the last Lord's day in October in favor of the amendment, and all delegates agreed to scatter temperance literature over Nebraska until we were given the right to vote for the amendment.

The following report of the state evangelist showing an increase in amount of work and greatly increased success, a summary of which we will not try to give, as we desire his report to appear, to show Christian workers what one man can do. The secretary then made a report showing that nearly twelve hundred dollars had been given for home missionary work and more than double the work accomplished by the society than ever before in one year. The convention then sang the song, 'The precious, out of debt and money in the treasury, they re-elected the present officers: J. Z. Briscoe, president. Wm. Sumpton, vice president. N. B. Alley, recording secretary. W. E. Barkley, treasurer. R. C. Barrow, corresponding secretary and state evangelist.

S. S. S. cured me of Scaly Sores, Sores in Nostrils and Ears, after everything known to the medical profession had failed. Three months have passed since I quit taking S. S. S.; there is no symptom of the disease remaining; am permanently cured. It stands unrivaled for Blood Diseases. J. S. T. TARRANT, Salsman, N. Y.

"S. S. S. stands without a peer. The prescription will have to acknowledge it as a Specific for Blood Diseases." Dr. N. J. GALLOWAY, Monroe, Ga. "About four or five weeks ago I was afflicted with a very aggravated type of Blood Disease. I commenced using S. S. S. and after taking the first bottle felt no more relief that I bought five more, and on the next day, after using four of those, I am entirely cured, feeling as if I had been under medical advice for several months." C. G. RUTHERFORD, Richmond, Va.

"After suffering from the worst Blood Disease for more than two years, and having been treated by several eminent physicians, confined to my room and bed the greater part of the time, my body covered with copper-colored sores from the size of a pea to that of a silver half-dollar, I was well nigh in despair. At last I commenced taking S. S. S. In a short time I began to improve in flesh, all the sores healed, and I could feel and know that I was well, and to S. S. S. must the credit be given of my entire restoration to health. I have not taken a dose for over six months, and am as free from sores or blemish as any one." LOTTIE ROSS, Atlanta, Ga.

"Improved after taking the first bottle of S. S. S. In two weeks was able to come home, finding the waters were no benefit." J. W. REID, Newport, Ark. "Our science has not made known a combination equal to S. S. S. for skin or blood diseases." T. L. MANNENBERG, Ph. G., Mason, Ga. SOLD BY ALL DRUGGISTS.

KENDALL'S SPAVIN CURE. COL. L. T. FOSTER. Youngstown, Ohio, May 10, 1886. Dr. B. J. Kendall & Co. - I had a very valuable Hamletion colt that I prized very highly, he had a large bone spavin on one joint and a small one on the other, which made him very lame; I had him under the charge of two veterinary surgeons which failed to cure him. I was one day reading the advertisement of Kendall's Spavin Cure in the Chicago Express, I determined at once to try it and got our cartilage here to send for it, and they ordered three bottles; I took all and I thought I would give it a thorough trial, I used it according to directions and the fourth day the colt ceased to be lame and the lumps have disappeared. I used but one bottle and the colt's limbs are free of lumps and as smooth as any horse in the state. He is entirely cured. The cure was so remarkable that I have let two of my neighbors have the remaining two bottles who are now using it. Very respectfully, L. T. FOSTER.
