The only sure remedy yet found is Brown's Iron BITTERS, and this by rapid and thorough assimilation with the blood purifies and enriches it, and rich, strong blood flowing to every part of the system repairs the wasted tissues, drives out disease and gives health and strength.

This is why Brown's Iron Bitters will cure kidney and liver diseases, consumption, rheumatism, neuralgia, dyspepsia, mala-ria, intermittent fevers, &c.

COL. L. T. FOSTER

DR. H. J. REDALL & CO.—I had agvery valuable Hambletonian colt that I prized very highly, he had a large bone spavin on one joint and a small one on the other which made him very lame; I had him under the charge of two veterinary surgeons which falled to cure him. I was one day reading the dvertisement of Kendall's Spavin Cure in the Chicago Express, I determined at once to try it and got our cruggists here to send for it, and they ordered three bottles; i took all and I thought I would give it a thorough trial, I used it according to directions and the fourth day ithe colt ceased to be lame and the lumps have disappeared. I used but one bottle and the colt's limbs are as free of lumps and as smooth as any horse in the state. He is entirely cured. The cure was so remarkable that I have lettwo of my neighbors have the remaining two bottles who are now using it.
